Lans-Cent-Orama Opens First Showing Saturday

"Lans-Cent-Orama," the historical pageant depicting the growth of Lansing from pioneer days to the present time will be presented for the first time Saturday evening at the Coolidge School Field.

The official opening of the Pageant will be held at 8 p. m., when State and County officials will be introduced.

It will be presented nightly through Friday, August 20th, except Sunday.

All coupons sold by candidates for the Lansing Centennial Queen must be exchanged at Centennial Headquarters between the hours of 9 a. m. and 9 p. m. for regular admission tickets to the historical pageant "Lans-Cent-Orama."

"Lans-Cent-Orama" pageant is under the direction and is being staged by Parker Zellers of the John B. Rogers Production Company. Some 300 local people are being used in the pageant.

The pageant is divided into 19 Episodes. Resume of Scenes follow:

Prologue

A brilliant scene of pageantry presenting "Miss Lansing," Queen of the Lansing Centennial Celebration. Her highness will welcome visitors from various foreign nations, surrounded by the beautiful ladies of her court, the Queen's cadets, sallorettes, boy scouts, girl scouts and representatives of the various states of the union. (Coronation to be held on Saturday, August 14th, only.

Episode 1 "The Red Man"

The early inhabitants of Lansing were the tribes of the Pottawatomies. Here they paid homage to the Suk God, to the moon and stars. Here they lived, loved and finally passed on to the land of the Great Spirit. They lived in the most primitive of ways, playing and working like the true sons of nature that they were.

Episode 2 "And the White Man Came"

The first white man to visit the Pottawatomies was the French explorer, LaSalle. Coming here to make military surveys and exploratory ventures, he came upon these people. He quickly made friends with them and did much to open up this region for future settlement.

Episode 3 "The Spirit of 76"

The French kept control over our territory until the year 1763. Then the English became the masters, and the colonies were ruled with an iron hand. Oppression grew and soon the colonies revolted and declared themselves independent. A classic picture of this American Revolution is the "Spirit of 76."

Episode 4 "Westward Ho!"

As more and more people came to the newly born democracy, more and more land was needed. Many people started westward in search of new homes, and so it was that around the 1840's many people came to settle in this area.

Episode 5 "God In The Wilderness"

In the midst of their arduous tasks of settling this territory, the early pioneers still found time to pause and give spiritual thanks.

Episode 6 "The First Iron Horse"

The coming of the railroad to Lansing was a big step forward for the village. It shrunk the distance to Chicago and brought more and more people to set up homes here.

Episode 7 "High Prices?"

Some people thought that prices were high a hundred years ago.

Everyone Is Invited To Queen's Ball Sat.

The biggest social event of the Lansing Centennial Week, August 14 thru 21 will take place Saturday evening, August 14th at the Lansing Roller Rink.

For this night has been planned as the Queen's Ball. Two name bands will offer continuous music from 8 p.m. until 12 p.m.

At 10:30 p.m. trumpets will blare and Sharon Lange, the Centennial Queen, will enter with her court. She will take her place on a special throne while her court leads the grand march.

The Roller Rink will be decorated in the Centennial theme and everyone is urged to wear old-fashioned dress.

The owners of the Lansing Roller Rink have installed six large fans in the ceiling of the building, which will change the air completely every three minutes.

Tickets for the ball can be purchased at Centennial Headquarters at the present time. They will also be on sale the night of the ball at the entrance to the Roller Rink.

Beard Judging Contest Slated For Wednesday

All the Brothers of the Brush who wish to display their finery should be at the Reviewing Stand located at Glen Terrace and Ridge Road for the Beard Judging Contest Wednesday evening, August 18th, at 7 p.m.

All types of awards will be made to men having all different styles of beards. Join in the fun Wednesday night during the Beard Judging Contest. Women are invited to look on.

Sharon Lange To Reign As Centennial Queen

Miss Sharon Lange, daughter of Mr. and Mrs. Irving Lange of 17624 Torrence avenue was announced winner of the Lansing Centennial Queen Contest last Wednesday evening by Mrs. Peter Kooi, chairman of the Lansing Centennial Queen Contest.

Miss Lange piled up 762,809 votes to win a trip to Bermuda for herself and a companion of her choice, besides luggage and a complete wardrobe donated by area merchants.

Placing second in the contest was Miss Marlene Schroeder of 18330 School street with 608,941. She will head the Queen's Court and will also receive a Labor Day week-end with a guest to a resort at Three Lakes, Wisconsin plus various merchandise donated by local stores.

The top ten runners-up in the Queen Contest will form the Queen's Court and will make various appearances during the Centennial Week and will also be receivers of various merchandise donated by local stores.

Placing second through eleventh in order were Marlene Schroeder, Martha Imes, Joan Kooy, Shirley Vierk, Nancy Vierk, Arlene Last, Barbara Oppenhuis, Darlene J. Golding, Darlene Mehuron and Mary May.

The first showing of Lans-Cent-Orama, Lansing Centennial Historical Pageant will also be broadcast over WJOB Saturday evening. This program is being sponsored by Gus Bock Hardware.

Dawn Frankel Selected As "Miss Peanut"

Dawn Leslie Frankel, age 5 of 17226 Lorenz avenue was selected Tuesday afternoon as "Little Miss Peanut."

"Little Miss Peanut" will reign over the National Kids Day in Lansing, September 24th to be sponsored by the Lansing Kiwanis Club.

Thirty-six contestants competed for the title in Lansing. Placing second was Carol Knoerzer, 17815 Walter street, age six and placing third was Colleen Quinn of 17817 Roy street, age five.

Dawn received an electric record player and six records for taking first place; Carol won a Toni Doll and Colleen received a cosmetic kit. All thirty-six contestants received a small prize.

National Kids Day is a day at which time the Kiwanis Clubs all over the nation sell peanuts on the streets of their local towns, profits from which are used to help under-privileged children and for children's activities.

Judging the "Little Miss Peanut Contest" were Mrs. Howard Bertram, Mrs. Kenneth Young and Mrs. Donald Brown. Judging was held at the Lans Theatre at 2 p.m. Tuesday.

If you can't make the parade Saturday turn to radio station WJOB and hear two hours of description of the parade sponsored by Moderne TV-Music.

Parade Marks Opening Of Centennial Festivities

Head Centennial

Pictured above is William E. Erfert, Chairman of the Lansing Centennial with Village President, Evert Schultz Honorary Chairman and William Last, Co-chairman of the Centennial Celebration.

Lansing's Centennial Celebration will start this Saturday with a gigantic parade stepping off from Ridge Road and Wentworth avenue at 2 p.m.

Some 60,000 persons are expected to view the parade, which is to be the largest and most colorful ever to be seen in the entire Calumet area.

The parade route will start at Ridge Road and Wentworth avenue and will go West on Ridge Road to Torrence and then North on Torrence to Thornton Road. The parade will disband at Lansak Park.

According to Emil Rauguth, chairman of the parade, the procession will consist of twenty divisions, including 200 units, 60 floats, over 50 marching units and bands, antique cars, decorated cars, trucks, horse and ox drawn wagons and buggies.

A reviewing stand will be located between Glen Terrace and Torrence avenue on Ridge Road. The following dignitaries are expected to be on hand to review the parade: Lt. Gov. John Chapman, Secretary of State Charles F. Carpentier, State Treasurer Elmer Hoffman, State Auditor O. E. Hodge, Congressman of the District, William McVey and State Senator Arthur Bidwell. Many other State and County officials are expected to be on hand.

Special awards and trophies will be given for the best units in the different divisions.

In order to accommodate those people over 75 years of age chairs will be set up near the reviewing stand at Jr. Memorial High School.

To reserve a seat it is necessary to register at Centennial Headquarters and receive a pass for this special section.

Persons over eighty years old wishing to ride in the parade will be accommodated if they register their wishes at Centennial Headquarters.

Serving on the parade committee are the following: Wilfred Weaver, Frank Brown, George Dockweiler, Roy Garland, Jim King, Art Lorenz, Wesley Norgran, Hugh Richardson, Dick Schroeder, Peter Schrum, Den Schultz, Art Vierk and R. W. Widdel.

All members of marching units will receive tickets at the formation of the parade and will be furnished refreshments for these tickets at Lan-Oak Park following the end of the parade.

All servicemen home on leave who would like to drive cars for dignitaries in the Centennial Parade are asked to contact Ray Dockweiler at Lansing 1210 or Erv Vierk at Lansing 1182. About twenty servicemen are needed.

Don't forget to purchase your share in Lansing Centennial. Buy a Lansing Centennial stock certificate at Centennial Headquarters for a souvenir for your children. Each stock certificate costs only $1.00.

Singspiration To Be Sun. At Pageant Site

Watch For The SPECIAL CENTENNIAL EDITION of the JOURNAL Next Week

In commemoration with the Lansing Centennial an all city singspiration will be held Sunday evening, August 15th at the pageant site starting at 8 p.m.

The singspiration is being sponsored by the Lansing Ministerial Association.

Featured on the program will be such well known people as Herman Voss at the organ, Bill Bearce, song leader, and the Jabaay trio.

Rev. Peter Holwerda, pastor of the Lansing Christian Reformed Church, will introduce the guest speaker of the evening, Rev. Eldersveld, of the Back to God Hour radio program who will speak on "God's Messenger of the Hour." Rev. C. Reynen of the Grace Reformed Church will give the benediction.

Everyone is invited to attend. In case of rain the singspiration will be held at the First Reformed Church at Ridge Road and Burnham avenue.

Youth Day Parade Planned For Friday Morning

A huge Youth Day parade is being planned for Friday, August 20th, which has been set aside to feature the youth of Lansing during the Lansing Centennial Celebration.

The theme of this parade will be "One Hundred Years of Lansing History" and will be divided into five sections of twenty years each. Each section will be a separate unit in the parade with prizes for the best costumes, floats etc., in each unit.

There will be no age limit for participants in this parade although it is expected that most entries will be from children of grade school age.

Any child wishing to enter the parade should decide which section of the parade he or she would like to enter and then sign up at Centennial Headquarters for that unit of the parade.

Entries close tomorrow, Friday, August 13th at 5 p.m.

Many Stores To Close During Parade Saturday

While each individual merchant in Lansing sets his own hours, many of the village's business establishments plan to close this Saturday afternoon about 2 p.m. for the Centennial Parade.

Those people who usually do their shopping Saturday afternoons are urged to take note of the above fact and shop early this Saturday, and then enjoy the huge parade.

Centennial Snaps

Letters
TO THE EDITOR

Editor:
Dear Sir:

The Queen Contest Committee of the Lansing Centennial wish to take this opportunity to express our sincere thanks to all of the wonderful girls who entered the contest.

Lansing can and should be very proud of these fine young women who gave so willingly of their time and efforts. Their their able salesmanship we have more than exceeded our quota advance ticket sales for the pageant, "Lans-Cent-Orama." It was indeed a real pleasure and privilege to work with these girls.

Our thanks, too, to the many Hammond and Lansing merchants who were so very generous in their gifts to the Queen and her Court.

To Miss Sharon Lange, "Miss Lansing" Centennial queen and her entire court we extend our sincerest congratulations and best wishes for a very happy reign.

Yours very truly,
The Queen Contest Committee
Mrs. Peter Kool, chairman.

ROBERT STRASEN, SON of the late Pastor Strasen and Mrs. Strasen made his first appearance on television last Wednesday evening, August 4.

He appeared on the Red Skelton show in a quartet known as the Hi-Low's. They have appeared on programs with Ray Bolger, Dennis Day and Dolores Grey and are appearing in and around Los Angeles at the present time. They hope to receive engagements out East in the near future.

The group has been working together for some time originating in Milwaukee. Gene Puerling, one of the boys, arranges all the numbers and the group has made some very fine recordings of sacred numbers as well as popular music.

MR. J. M. TACKETT, 2722 Ridge Road has moved to Lansing from Chicago. His two nieces, Miss Dixie Tackett and Miss Mabel Tackett are also making their home with Mr. Tackett. They are teachers in a school in Hammond.

MR. AND MRS. MARTIN RACH and daughters, 17339 School street have returned from a one week vacation spent in Minneapolis, Minnesota. While there, they visited with friends and saw many places of interest.

RETURNING HOME FROM A two weeks vacation trip through the west, namely Denver and Colorado Springs, is Mr. and Mrs. Fred Dainty and their son Fred of Ridgeland avenue.

NANCY VIERK, 3344 Schultz Drive, is spending a week at the University of Illinois Robert Allerton Park near Monticello, Illinois as a member of the fifth annual art camp for high school students conducted by the Illinois State Federation of Women's Clubs. This is the fourth year the camp has used the University facilities.

GEORGE W. BIEDERMAN, a 34 year old veteran and local superintendent in Calumet City will succeed Raymond F. Davies as Harvey district superintendent for Public Service Co. Davies was transferred to Blue Island in a similar role for Public Service.

CHARLES ROMANO, 178th and Torrence, underwent major surgery at St. Margaret's hospital. He is doing nicely and expects to return to his home soon.

MID PAUL H. ZABEL, of Lansing, Illinois, was awarded the Bronze Taxis medal this week here at Culver Military Academy Summer Schools where he is attending the 53rd eight-week Session of the Naval School. The coveted medal, first in a series of three competitive achievement awards, carries a proficiency rating and is based on athletic, military, and seamanship accomplishments. The Bronze Taxis is a prerequisite to the Culver Silver and Gold medals.

Midshipman Zabel is the son of Mrs. Harry F Zabel, 3539 Ridge Road, Lansing.

ERNEST R. VIERK, of 18221 Ulser Street, Lansing, has been invited by Valparaiso University, Valparaiso, Ind., to attend the first campus convention of the Valparaiso Advisory Council from Aug. 29-31.

Mr. Vierk recently accepted an appointment from Dr. O. P. Kretzmann, V. U. president, to serve as a member of the Valparaiso Advisory Council. The Council is composed of representatives from congregations of Synodical Conference Lutheran churches.

Vierk is a member of St. John's Lutheran Church, 18303 Wentworth, Lansing. The Rev. A. E. Krause is the pastor.

MR. AND MRS. Charles May and family, 3707 178th street returned from a vacation in Spooner, Wisconsin.

While in Wisconsin they stayed at the Sunset View resort which is owned by Mrs. May's parents, Mr. and Mrs. Tom Bowie.

Ice Cream Cone Celebrates 50 Years

"Meet me in St. Louis, Louis, Meet me at the Fair! And we'll have an ice cream cone together!"

These aren't the exact words of the song, but they would have been fitting in 1904, as well as suitable for 1954. For the St. Louis World's Fair ground was the birthplace of the ice cream cone in 1904—just 50 years ago.

From the first cone born of necessity at a pastry stand located next to an ice cream cone booth at the Fair, the ice cream cones turned out today number in the multi-millions every year.

A native of Damascus, Syria—Ernest A. Hanwi—is credited with originating the first cone holder for ice cream. Hanwi had a concession at the St. Louis Fair to sell Zalabia, a crisp wafer-like pastry baked on a flat waffle iron served thin with sugar or other sweets. The Zalabia recipe came from countries around the Persian Gulf.

Hanwi Helps Out

One day when the ice cream booth ran out of dishes because of the terrific demand for its product, Hanwi quickly assisted by rolling out one of the thin wafer-like waffles into the shape of a cone or cornucopia. When the cornucopia filled with ice cream was handed to an eager customer, his reaction was spontaneous. The cone was on its way to becoming a great American institution.

The combination cone-shaped pastry and ice cream became known as the World's Fair Cornucopia. It was not until 1906 that the word "cone" instead of "cornucopia" began to identify the handy and delicious ice cream container.

Rolled and Molded

The modern ice cream cone developed along two patterns, the rolled cone and the molded cone. The rolled product was a baked waffle in round shape which was at first rolled by hand, later mechanically, as soon as it came off the griddle. In a few seconds, it hardened in the form of the crisp cone that is known today.

The molded cone was shaped in one of two ways; either the batter was poured into a shell and a core inserted on which the cone was baked, or the cone was formed in a mold which was split so that the cone on the form or pin could be removed without difficulty.

Centennial Snaps

Tom DeMik and his brother Jim enjoy the company of Jackie LeReau who displays a winning old fashioned costume. Mr. W. E. Piercy with Mr. and Mrs. C. B. Gabriel.

Stork Stops

Mr. and Mrs. James Hennings, 808 Forsythe avenue, Calumet City are announcing the birth of their first baby which was born July 4 at St. Margaret's hospital.

A boy, Brian Keith, weighed 9 pounds 2 ounces at birth.

Mrs. Hennings is the former Frances Rose of Lansing. The maternal grandmother is Mrs. Opal Rose, formerly of Lansing now living in Sigel, Pennsylvania and the paternal grandparents are Mr. and Mrs. James Hennings of Lake Eliza, Indiana.

Mr. and Mrs. Emil R. Sterbenc of 3619 Washington street announce the birth of their eighth child, a daughter, Janet Marie, born Thursday, August 5, at St. Margaret's hospital.

The newcomer has four sisters, Mary, Patty, Irene and Nancy; three brothers, Tom, Edwin and Louis.

Maternal grandparents are Mr. and Mrs. A. J. Schmal of Lansing and paternal grandparents are Mr. and Mrs. Louis Sterbenc of Hammond. Maternal great grandmother, Mrs. Rosa Stark, Hammond.

Many Stores To Close During Parade Saturday

Lansing merchants have been busy the past several months gathering antiques from far and near. The store owners will place these historical pieces in their store windows for the public to see.

Although some merchants already have their historical windows in, the official unveiling of store windows has been set for 10 a.m. this Saturday morning.

Tasty Treat—Low in Calories

If you have a cookie jar raiding "chubby" at your house, he will doubly thank you for setting out this tasty, refreshing low-calorie snack on those warm summer days.

A platter of these orange pecan cookies made with economic saccharin and accompanied by glasses of cold skim milk is just what the doctor ordered to take the edge off the pound-adding appetites of overweight youngsters. The non-calorie saccharin has another function: Dietitians say that we can help keep cool by keeping our body's fuel intake to a minimum.

Light and crisp, these cookies are easy to make and keep well in the refrigerator, ready for you to slice and bake in a jiffy for that unplanned visitor or quick dessert. Just 44 calories in each generous size cookie.

Orange Pecan Cookies

Dissolve	6 saccharin tablets (¼ grain each) In ¼ cup unsweetened orange juice
Cream in a 6-cup bowl	1 tsp. vanilla
	¼ cup shortening
Sift together	1 cup sifted all-purpose flour
	½ tsp. salt
	¼ tsp. baking powder

Add sifted dry ingredients alternately with orange juice mixture.

Blend well into dough — 1 tsp. grated orange rind, 2 Tbsp. pecans, finely chopped

Shape dough into a roll 2 inches thick and wrap in waxed paper. Chill in refrigerator until firm enough to slice, about 2 hours. Cut into ¼-inch slices and place on ungreased cookie pan. Bake on rack slightly above center in 400 (moderately hot) oven for 12 minutes. Makes 18 cookies.

Ted Lutkus Places 2nd In National Oratorical Contest

Ted Lutkus, Thornton Fractional's oratorical whiz, did it again Monday, Aug. 9, when he was presented with a check for $750.00 as his reward in placing second in the national oratorical contest sponsored by the Knights of Pythias during their national convention being held this week in Des Moines, Iowa.

The stipend, to be used towards a college education, gives Lutkus a head start on many of his Fractional classmates seeking scholarships as he will be a senior in the Calumet City school this fall.

Previously, Lutkus, son of Dr. and Mrs. Theodore Lutkus, Lansing, won the Ill. state championship of the National Forensic League and placed fifth in the national contest sponsored by the same organization, which is the official speech organization for the high schools in the United States. Lutkus qualified for the national contest in Des Moines by winning the District meet which was comprised of winners from 10 states.

Lutkus was accompanied by his high school speech coach, Earl Davis, who this year produced his tenth state champion in his thirteen years at T.F.

Lans-Cent-Orama

(Continued from Page One)

Episode 8 "Taught to the Tune of the Hickory Stick"

The early settlers, realizing the need for education, first attempted to teach their children at home. Later, schoolhouses were built.

Episode 9 "The Call to Arms"

Like an overwhelming tidal wave the pioneers were swept along until they clashed in conflict. The war between the states turned forges into factories for cannon, rifles and iron plates.

Episode 10 "The War Is Over"

At last the shooting ceased, guns were lowered and a tall, lanky figure in the White House raised tired eyes towards the heavens in solemn prayer.

Episode 11 "Half Way House"

In 1873, Christian Busack opened the first hotel in town. It was called the "Half Way House," being half way between Chicago and Crown Point. The hotel was always the scene of gay dancing—and the Virginia Reel was always popular.

Episode 12 "A Town Is Born"

In 1893 the people of Lansing went to the polls to elect the first officials of the village. A total of 51 votes was cast.

Episode 13 "Lunchtime at the Brickyards"

For many years the residents of Lansing depended entirely on the Brickyards for employment.

Episode 14 "The Fabulous Gay 90's"

It was the era of "The Bicycle Built For Two," "Leg O'Mutton Sleeves," "Empress Eugenie Hats," and "Wasp-Like Waists." A picnic was always popular. The innovation called the "Horseless Carriage" made its appearance. The naughty girls were the Can Can dancers. All good clean fun of the "Gay 90's"—reminiscent of the days when grandma was in her teens.

Episode 15 "Lest We Forget"

In 1914 Lansing heard the troubled sounds of war in the making as President Wilson protested unrestricted submarine warfare. However, the climax came in 1917, when the Lusitania was sunk and the United States entered the war.

Episode 16 "The Roaring Twenties"

This was the golden age of "Yes, We Have No Bananas," shieks and flappers. A dance sensation hit the nation and everyone in Lansing was doing the Charleston.

Episode 17 "World War II"

With startling suddenness of the quiet afternoon of December 7, 1941, the news of the war came to the United States for the second time in a generation. The Japanese had attacked Pearl Harbor.

Episode 18 "Tribute to Lansing Service Men and Women"

A fitting tribute to all the Lansing service men and women who served in World War II and the Korean campaign.

Episode 19 "The Atomic Age"

With the arrival of the "Forties" came man's knowledge of splitting the atom. This he used for a defensive measure—a weapon of destruction that heretofore had been unknown or unequaled. Today he is striving to use the atom for peace time progress. Will it be the beginning of a new advanced civilization—or will it be the destructive end of mankind?

"Litter-Bug" Campaign Topic Of Garden Club

The Lansing Garden Club held a special meeting recently to formulate plans for a "float" in the Centennial parade Aug. 14th. Mrs. Wm. Cerveny, 18000 Ridgewood Ave., was the hostess.

Mrs. Davidson supervised the stenciling of 500 bags, the donation of Mr. Wm. Wilder of Wilder's Super Market. The bags were distributed to the local Service stations for them to donate to their customers to carry in their cars. In many states heavy fines are imposed for the littering of highways by tourists.

Mrs. Arnold Kunde announced that two outdoor "Litter-Bug" cans have been purchased and will be on the streets of Lansing in time for the Centennial celebration. The cans will feature advertising by local businessmen who are cooperating with the Garden Club to keep Lansing clean.

The next regular meeting will be August 12th, at the home of Mrs. A. Schneider, 17531 Henry street, with Mrs. Wm. Guss assisting.

Lansing Circle Isabella Daughters

Mrs. John Linn, regent of Lansing Circle 896, Daughters of Isabella, left to attend the organization's National Convention in New York City which will be held August 10 through the 13th.

At the recent business and social meeting an anniversary dinner and initiation plans were made to be held September 13 and 19 respectively.

The group attended mass and received communion in a body on August 1 at St. Ann's church.

Breakfast was served to them by the Knights of Columbus from Lansing Council 3540.

The next business meeting will be held September 1.

50th Wedding Anniversary

The golden wedding anniversary of Mr. and Mrs. J. H. Erikes, Glenwood Lansing Road was celebrated on Tuesday of this week.

Open house was held for all their neighbors, relatives and friends at their home from 2 to 5 in the afternoon and 7 to 9 in the evening.

The couple are the parents of six children, Garritt of Highland, Andrew of Oak Glen, Edward of Chicago Heights, John of Lansing, Marvin of Highland and Martina (Mrs. Jacob Heilema) of Lansing. They also have 24 grandchildren and 6 great grandchildren.

They were married in Griffith, Indiana by the Reverend Van Vliet and made their home in Griffith for about 19 years after their marriage. Then they moved to Lansing where they have been making their home for the past 31 years.

Besides celebrating open house last Tuesday they expect to entertain at a supper in the parlors of the Oak Glen Christian Reformed church next Monday, August 16.

Keep U. S. Savings Bonds. Keep our country free.

For every dollar Uncle Sam borrows from a commercial bank, about five new dollars may be created in the form of credit. Obviously the larger amount of public debt held by individuals thru Savings Bonds, the greater check on inflationary tendencies.

WSCS To Hold Membership Tea

The W.S.C.S. will sponsor a membership tea at the church on Wednesday, August 25, from 2 to 4 o'clock in the afternoon.

All new members are invited to attend this tea.

Get on the (Savings) Bond Wagon, it will take you and your family far.

Last year 22% more Savings Bonds were bought than the year before setting a seven-year sales record.

V.F.W. Takes Little League Lead; Beat Old Timers Saturday 8-3

Joseph "Butch" Satmary pitched and batted his V.F.W. team-mates into the Little League lead with an 8-3 victory. Satmary limited the hard hitting Old Timers squad to but four singles and did alright at the plate too, with a home-run and a single. Jim Teutemacher also hit a round-tripper for the V.F.W.

Losing pitcher Lee Johnson held the V.F.W. to seven hits, but the two home-runs were the difference. Johnson had one consolation however, for he collected two of the four hits that his team made.

Lansing Old Timers Open Home Stay

The Lansing Old Timers South Suburban baseball club returns to Lan-Oak Park on Thursday, Aug. 12th for a long home-stand. The team has returned to the winning side of the ledger, and manager Eddie Carlson is looking forward to a lot of victories on the home field.

The pitching staff has also been strengthened with the return of the veteran right-hander Jim Martin. Also doing a fine job at first base is Lou Bissa who replaced Bob Dunfee. Dunfee was lost to the Lansing club for the remainder of the season when his thumb was broken in the Grand-View ball-game at Lan-Oak Park.

Captain Bill Jansma pitched the Lansing team to a 2-1 victory over the strong Barney Grill Tops team at Baessemer Par okn Au at Bessemer Park on August 5th. Jansma, who normally plays third base, pitched a fine ball game and limited his opponents to but three hits.

Tips on Traffic Safety

By CHARLES F. CARPENTIER
Secretary of State

Try to maintain the prevailing rate of speed on highways, particularly when traffic is quite heavy. It will keep you out of many potentially dangerous situations.

Two types of drivers on heavily traveled highways are constantly setting the stage for accidents. One is the slowpoke, the one whom everybody else wants to pass. The

other is follow who seems to feel that he has to pass everybody else.

Driving too slow is actually a violation of the law. Section 51a of the Uniform Act Regulating Traffic reads: "No person shall drive a motor vehicle at such a slow speed as to impede or block the normal and reasonable movement of traffic except where reduced speed is necessary for safe operation or in compliance with law."

The "kangaroo" who wants to jump over every other car on the road might readily be arrested for reckless driving.

Don't be either. Keep up with traffic, but don't try to beat all of it. If you must slow down because a stop is necessary or to make a turn, get into the proper lane and give the correct hand and arm signal far in advance.

A copy of the completely new "Rules of the Road" booklet will be sent to you free upon request. Write to CHARLES F. CARPENTIER, Secretary of State, Springfield, Illinois.

"Butch" Tolley Hurls No-Hitter; Rebels Lose 3-2

Rebel pitcher "Butch" Tolley hurled the first no-hit game of the 1954 season in the Lansing Old Timers Junior League on Monday, August 9th, but lost to a stubborn 49er club 3-2. Tolley hurled a fine ball game, also struck out ten men, but errors cost him the victory.

In the first inning for the 49ers, Matson was safe on Biguish's error after two were out. Matson then stole second, and when Nelson threw the ball into center field Matson scored to give the 49ers a 1-0 lead. The score remained the same until the bottom half of the sixth when 49er pitcher Gordon Brewster walked with one away. He then stole second, and scored when Schroeder let Nelson's throw get past him to give the 49ers a 2-0 lead.

The Rebels then staged a rally in the top of the seventh. Nelson opened with a single to center. Schroeder sacrificed. Nelson stole third. Podd doubled to left scoring Nelson and making the score 2-1. Widdel walked. Podd stole third. Gifford struck out. With the count 2 balls and one strike, 49er catcher Matheis tried to pick Podd off of third but the throw was low for an error and Podd scored the tying run. Biguish fouled out to Matheis to end the inning.

In the seventh Tolley started out to make short work of the 49ers. Rhode struck out. Matheis also struck out. Mills walked. Mills stole second, and when Nelson again threw the ball into center field, Mills scored all the way from second to give his team a 3-2 victory.

Lansing Bank Clings To Minor League Lead

The Bank of Lansing won two close games to strengthen their hold on first place. In defeating the B & M Mfg. team 9-7, the Bank of Lansing tallied six times in the sixth inning to overcome a 7-3 defeat. Willmes pitched for the winners, and was relieved by Kuchta who got credit for the win.

In their other win, they defeated the Lansing Lanes 13-11. Doug Bowen hurled all the way for the victory. He encountered trouble only in the sixth inning when the Lansing Lanes team rallied for six runs only to fall short.

The Polio Problem

Summertime is polio time. As epidemics descend upon the nation, the threat of polio moves closer to you and your children.

Until now polio has been met by the March of Dimes, fighting YOUR fight against this crippling disease.

But today, March of Dimes funds are exhausted.

This year's test of a polio vaccine has placed an unprecedented drain on March of Dimes funds. Contributions to last January's March of Dimes were not enough to complete the study of the vaccine and at the same time continue help for thousands of polio patients.

In recent months, the March of Dimes patient aid program has been operating on borrowed time and borrowed money. Funds for patient aid have been taken from vital research and education programs. Hospitals have been asked to hold their polio bills.

Hospital bills can be delayed—but not forever.

Polio cannot be put off.

The disease is striking now—in Cook County and across the nation.

Polio is reaching out to claim new victims to add to its toll of 67,000 patients from previous years who still turn to the March of Dimes for lifesaving equipment, for help in their struggle to walk again. Hard-hit communities need iron lungs, medical personnel and emergency funds to strengthen their polio fight.

Your help is desperately needed—NOW.

At least $20,000,000 must be raised immediately to combat the menace of polio. You can help provide these polio-fighting funds with a generous gift to the Emergency March of Dimes, August 16-31.

Your goal? A home — your child's future — comfortable retirement? Try U. S. Savings Bonds payroll plan.

OUR WEEKLY SERMON

by Rev. A. E. Krause

"When the hymnist sang: 'Change and decay in all around I see,' he uttered a truth which is often painfully obvious. The individual changes his mind and his attitude, and these changes often bring embarrassment and even loss to others. Rural communities, towns, villages, cities—in these there is a constant change. One may have pleasant reminiscences of childhood and youth; but when one returns after years of absence, one finds that the scene has been altered almost beyond recognition.

Some who were with us yesterday are gone today. Families were torn asunder. Circles of friends were broken.

Possessions deteriorate. Rust and rot take their toll. Wars destroy.

In the midst of this changing world only Jesus Christ is changeless. He is the eternal Son of God, begotten of the Father from eternity and also true Man, born of the virgin Mary. His attitude toward mankind does not change. His thoughts are always the same.

Nineteen centuries ago He redeemed mankind with His holy precious blood and with His innocent suffering and death. That redemption is sure, even today. What Peter once confidently asserted may be repeated with equal assurance today: "Neither is there salvation in any other; for there is none other name under heaven given among men, whereby we must be saved."

The cross of Jesus Christ towers over the wrecks of time. Empires have faded and nations have vanished, but the cross has not been obliterated. The great and the near-great lost their power and their prestige, but the cross continues to stand.

Men may look to the cross today and from it obtain the comforting assurance that though their sins be as scarlet, they shall be as white as snow, though they be red like crimson, they shall be as wool. The forgiveness earned by Jesus Christ on the cross is still offered universally without money and without price.

And the much publicized instruments of destruction will not change the cross and will not change the Crucified. Atom bomb and hydrogen bomb may cause much destruction and may effect great changes in the future, but even then, even tomorrow, Jesus Christ will be changeless.

Past, present, or future—this truth stands: "Jesus Christ the same yesterday, and today, and forever."

Remember Grandma's Watermelon Pickles?

From Nancy Haven's Beet Sugar Kitchen comes this recipe for pretty-pink sweet watermelon pickles, definitely fancy but with a good old-fashioned flavor. Easy to make too!

PINK WATERMELON PICKLES

Peel green skin from thick watermelon rind; cut rind into fancy shapes with small cooky cutters or sharp knife.

4 quarts cut-up watermelon rind
½ cup salt
1 quart cold water

Syrup:
2 (8 oz.) jars maraschino cherries
2½ cups white vinegar
5 cups beet or cane sugar
2 teaspoons whole cloves
2 (3-inch) sticks cinnamon

Soak prepared watermelon rind in brine solution of salt and water in crock for 2 hours; drain.
Place rind in preserving kettle and add warm water to cover. Cook gently until tender, about 8 minutes; drain.
Combine pink syrup from cherries with vinegar; stir in beet or cane sugar. Add spices, tied in a cheese-cloth bag.
Bring to boil on high heat; add cooked rind and maraschino cherries. Cook gently until rind is transparent, about 10 minutes; stir occasionally.
Spoon pickles and cherries into hot sterilized jars; add hot syrup; seal at once.
Makes 4 pints pickles.

Tomato Season Is Now Upon Us

Bright red, juicy tomatoes add flavor and color to any summer meal.

They are also a source of vitamins C, A, B1 and G, says Pearl Janssen, foods specialist of the University of Illinois.

You can be sure your family won't get tired of tomatoes by preparing them in many different ways. Serve them raw or cooked, stuffed or plain, scalloped or broiled. In fact you may serve them from breakfast to dinner.

Tomato juice offers a break in the orange juice routine for breakfast. Or add more color and a different flavor to the scrambled eggs or omelet by serving fried tomato slices along with them or by scrambling the eggs directly over the sliced tomatoes.

There is a wide use for tomatoes for lunch, other than just in salads. The flavor of cheese and tomatoes blends well at any time. Try a cheese and tomato sandwich or a cheese souffle with tomatoes. Mrs. Janssen recommends scalloped eggs with tomatoes and cheese sauce as a delicious treat.

For this dish, allow one hard-cooked egg for each serving, ½ of a medium sized tomato, ½ cup of cheese sauce and 1 to 2 tablespoons of buttered crumbs. Cut eggs and tomatoes in quarters, and arrangein buttered casserole. Then pour cheese sauce over them, cover with buttered crumbs and bake in a hot oven for 10 minutes or until brown.

Tomatoes may also be served well as a main course for dinner. Mrs. Janssen suggests you bake them stuffed with seafood, ground beef or soft bread crumbs and bacon. Or if your family prefers them raw on a hot summer day, stuff them with a cold meat salad. And just one more reminder: Tomatoes are a good picnic food because they pack easily, add color and help quench the thirst. For extra zip to your tomatoes add a bit of lemon juice or ground onion.

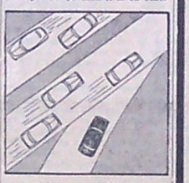
Tips on Traffic Safety

By CHARLES F. CARPENTIER
Secretary of State



On your vacation trip this year, you may find yourself entering one of the new expressways or other type of high speed highways which are stretching over more and more miles each year.

A special bit of caution is needed when joining the flow of traffic on those roads, especially if they are heavily traveled ones.

Remember, speed is much faster on expressways than it is on other types of highways. You will need more time, more distance, once you have entered the flow of traffic to gather the speed needed to keep up with other cars.

This means that you must wait for a larger gap in traffic than you would need if you were entering a highway where speeds are slower. Trying to slip into a small space in fast-moving traffic could easily involve you and several other cars in a terrific tangle of metal. It will take a little extra patience, but it could give you a lot of extra life.

A copy of the completely new "Rules of the Road" booklet will be sent to you free upon request. Write to CHARLES F. CARPENTIER, Secretary of State, Springfield, Illinois.

Noted Organist At Lansing Baptist

Herman Voss, nationally famous recording artist will appear at the First Baptist Church, Sunday evening at the regular 7:30 p.m. service, according to the pastor, the Rev. Ralph L. Wilson.

Mr. Voss is acclaimed as one of the most accomplished organists in America. He is the music director of the Singtime Publishing Company of Chicago and records for many leading recording voncerns. He has traveled across the nation many times accompanying some of the leading evangelists of our day.

Mr. Voss has appeared frequently in Lansing and is highly esteemed by all who have been privileged to hear him. He has appeared twice before in the First Baptist Church; first to dedicate the new Hammond Organ and later to dedicate the new Deagon Chimes.

Besides presenting a number of special selections on the Hammond Organ, Mr. Voss will also weave a message in between each number. A special microphone set up on the organ will enable Mr. Voss to present a personalized message interspersed by selections on the organ.

The church is located at Ridge Road and Wildwood. The public is cordially invited to attend.

Rev. Roseboom To Speak Sun. At First Reformed

Rev. G. J. Roseboom will have charge of both the 9:30 a.m. and 7:30 p.m. services next Sunday, August 15, at First Reformed Church, Ridge Road and Burnham avenue, Lansing.

Many in this community will remember Rev. Roseboom as being the former pastor of this church, serving here from 1933 until 1944. His present pastorate is at Kalamazoo, Michigan. A cordial invitation is extended to the public to attend these services.

Your Congressman REPORTS

AUGUST 14 IS NEW TARGET DATE FOR CONGRESS WINDUP

The House of Representatives passed a resolution on July 30 providing for adjournment on July 31. Since one branch of the Congress cannot adjourn without the other, the resolution is not effective until agreement is reached by both the House and the Senate. Meanwhile the House of Representatives is marking time passing minor bills until the Senate catches up.

Senator Knowland has stated that he believes action on the President's legislative program can be completed by August 14. Mr. Knowland explained that the Senate might have to agree to a unique adjournment resolution which would permit the House to close up business, and its members to go home August 14 while the Senate may stay on to consider the committee report on Senator McCarthy. He refused to predict how long the McCarthy matter might keep the Senate in session.

Under the type of resolution being considered, the Senate would be barred from acting after House adjournment on any legislation that would require concurrence with the House.

Senator Knowland said the Senate had lost 11 days on the filibuster against the Administration's Atomic Energy Bill and three more days on the Flanders resolution to censure Mr. McCarthy. The last 14 days accounts largely for the fact that the Senate was not ready to concur in the House resolution to adjourn on July 31.

Many important bills had not been acted upon by the Senate at the time the House was ready to adjourn. Since that date the senate is devoting long hours and reaching rather rapid decisions on some of the Administration's bills.

The Senate passed a bill late August 3, by a vote of 67 to 19, authorizing the continuance of the Foreign Aid Spending Bill in the amount of $2.6 billion. The House had approved a bill in the amount of $2.9 billion. The exact amount will of course be settled in Conference.

Other bills will doubtless be acted upon by the Senate before this article reaches the press. There is the Farm Bill, the Social Security Bill, three or four Anti-Communist Bills, Unemployment Insurance, School Construction, etc. Meanwhile the House will be treading water waiting for the Senate to make up the 14 days it has lost by filibustering and by the Flanders resolution.

Hardboard Ideal as Underlayment; Here's How It Should Be Applied

Covering an old floor with new linoleum, tile or even carpeting often requires the use of an underlayment to make it level. Hardboard, according to Home Modernizing magazine, is ideal for this purpose. Here are tips on its application:

Make sure floor is clean, dry and sound. Sand rough spots.

Start at one corner. Drive nails flush with the surface.

Joints should be staggered and should not fall over floor joints.

Leave ¼-inch space between panels, using nails as a guide.

Pres. Eisenhauer To Attend Ill. State Fair

The greatest program in the 102 year history of the Illinois State Fair has been planned in Springfield August 13 through 22. Miles of attractions including colorful exhibits, displays, livestock exhibitions, thrills and entertainment will make this year's event an unforgettable occasion.

Highlighting the Fair will be Governor William Stratton Day on Thursday, August 19, honoring PRESIDENT DWIGHT D. EISENHOWER. To make this day one the President will never forget the Cook County Republican Central Committee has made arrangements for a special round trip, via train, to Springfield. Plans call for trains to leave at 8 a.m. on August 19 on the GMO Alton Route and the Illinois Central Railroad.

The special price for the round trip, trains will return that night, is $9.30. Edward F. Moore, chairman of the Committee, and Francis X. Connell, chairman of arrangements, have issued a special invitation to all Cook County Republicans to make reservations now.

Tickets are on sale at Committee Headquarters, 188 W. Randolph st., Chicago. Reservations may be made by calling CEntral 6-7802.

In addition to the presence of President Eisenhower, the August 19th program will include Circuit Harness racing, a Horse Show, and Ice Vogues of 1954.

GI Bill Training Cut Off Date August 20

Mr. Robert D. Beer, Manager, Veterans Administration Regional Office, Chicago, has announced that August 20, 1954 is the delimiting or "cut-off" date for commencement of training under the Korean GI bill by veterans separated from active duty in the Armed Forces on or before August 20, 1952.

Mr. Beer stated that any such veterans interested in training who have not already started a course of training must actually enroll and be in training on or before August 20, 1954. For those veterans who were separated from service after August 20, 1952, a course of training must be started within two years from the date of release from active service.

The Veterans' Readjustment Assistance Act of 1952 (Public Law 550) is commonly known as the Korean GI Bill.

Mr. Beer added that Korean veterans desiring educational or vocational counseling from VA before deciding upon a program of training may apply to the Veterans Administration for counseling. However, applications for counseling should be filed immediately so that a proper course may be selected and the veteran start training by August 20, 1954.

Practical Nurse Training Offered At Purdue Center

A one-year program in practical nurse training is scheduled to begin at the Purdue university Calumet Center on September 13 according to Millard E. Gyte, Director.

The practical nurse will begin training in the academic portion of the program, which is a sixteen-week period at the local center.

The following 32 weeks will be done in four hospitals—eight weeks of specialized technical training in each. The four hospitals cooperating in the program are St. Margaret's in Hammond, St. Catherine's in East Chicago and Mercy and Methodist hospitals in Gary.

It is planned that forty new student practical nurses will begin their training each 16 weeks. At the completion of the 48 weeks of training the student nurse will be eligible to write the state licensing board examination successful passing of which will secure for each the practical nursing license.

Information on this program may be requested by calling Miss Maginsky at Tilden 4-0520 in Hammond or the director of adult education in Gary at 5-6193.

Legion Notes

by Buck Gaither

Just a little gust from the mill of time that grinds so slowly but surely and fine—

The American Legion came into existence in 1919 by an Act of Congress. Its membership was limited to veterans of World War number 1. It was to live only the life span of the soldiers of 1917 and 1918.

During the years between the first and second World War the Legion grew in membership and its importance to the nation. The members of the Legion believed in their organization and its work throughout the country and were convinced that it was an organization worth preserving and that its hopes and ideals would be a worthy legacy to pass on to their posterity, that it should have a life beyond that allotted by the original Act of 1919.

During the years of World War number 2 the Legion requested and was granted permission to recruit membership among the qualifying veterans of this latter war. This permission was granted by another Act of Congress which has since opened membership into the Legion to Veterans of the Korean war.

How well these thoughts were taken and how sincere the Veterans of 1917-1918 were in wishing to turn over this great organization to these younger groups can be attested by the result of the recent election in the Edward Schultz Post of Lansing.

Of the seven elective offices, six were filled by World War number 2 veterans, the seventh going to a Veteran of Korea.

The older members of the Legion are not passe. They are and intend to be active members for a long time. They are ready now to step down and let the younger veterans carry the Legion to greater achievements and greater heights.

At the close of World War number 1 the veterans were given a Railroad ticket home plus $60.00 to tide them over until they were reestablished in civilian life. They were given to understand that the loss of time and their privations suffered in war were nothing more than their duty and did not in any way make them a special class entitled to special benefits.

There were no strong Veterans organization at that time to take up the veterans cause and see that justice was done and it took the American Legion twenty-five years of hard work to gain a few of the benefits for these veterans that should have been theirs at time of discharge.

During World War number 2, the American Legion, well organized and firmly established throughout the country, knowing first hand the needs of returning veterans, determined that the veterans of this war were entitled to certain benefits to help them reestablish their positions in life which had been interrupted five years before.

Under the G.I. Bill of Rights, drawn up and sponsored by the American Legion, passed by the American Legion, and passed by Congress while the war was still in progress and ready for the veterans at time of discharge were many benefits deserved necessary to help these boys make up for loss of time due to their military service.

In this bill of rights was included separation pay and allowances, free schooling with pay while in school, make up pay while learning a trade, a full year unemployment benefit, financial help in establishing a business or farm or the purchase of a home, hospital and medical benefits in Veteran Administration hospitals and many other benefits in veterans performances etc.

But time will prove to the Veterans of World War number 2 and Korea that the greatest prize will come from the veterans of World War number 1. The American Legion, with its good will and prestige, its millions of dollars in securities and buildings will all be there at a mere cost of their membership and their willingness to take it over and carry on.

NEWS FOR VETS

In order to speed up the processing of GI home loan applications, Veterans Administration today urged supervised lenders to process GI loans without asking VA for approval in advance.

Banks, savings and loan associations and insurance companies, supervised by Federal or State banking authorities, originate more than 50 per cent of all GI home loans.

They have the privilege of making, processing and closing loans automatically without advance approval by VA and then coming to VA for guaranty.

Non-supervised leaders, mostly mortgage brokers, must get the prior approval of VA before making GI loans.

As a result of the easing of the GI mortgage money market since the beginning of the year, the number of home loan applications has increased sharply. During June, VA received 46,239 loan applications which was a 75 per cent increase over the 26, 454 received in June 1953.

VA estimates that approximately 24,000 of the 46,239 loan applications received during June came from supervised leaders. Of the 24,000, only about 9,600 were processed by supervised leaders automatically.

Thus, if all of the June loans originated by supervised lenders were processed by them on the automatic basis, overloaded VA offices would have been saved the necessity of reviewing nearly 15,000 applications for prior approval, VA said.

In addition, the veteran-applicant would have been in his home a week or two sooner on the average, VA added.

In view of the increasing work loads in VA offices and the desirability of closing GI loans with the least possible delay, VA asked supervised leaders who have been sending in loan applications for VA's prior approval to reconsider their practices.

VA emphasized that as long as the price of the property does not exceed the reasonable value set by VA appraisal and the veteran is eligible, there is no need for contacting VA in routine cases until after the loan has been closed and fully disbursed.

LEGAL NOTICE

Notice is hereby given that the Board of Education of Thornton Fractional Township High School, District No. 215, Cook County, Illinois, has prepared a tentative budget for this said High School District for the fiscal year 1954-55 and said tentative budget is available for public inspection at the office of the High School Superintendent from August 2nd, 1954 to September 15th, 1954. A public hearing will be held on this tentative budget on September 15th, 1954 at 8:00 p.m. in the Board Room of the High School Building, Calumet City, Illinois.

A. F. Klein, Secretary
Dated 7-23-54 E. G. Kuhlman
Calumet City, Illinois.

NOTICE TO CONTRACTORS

For Work to be Constructed Under the Motor Fuel Tax Law

1. Time and Place of Opening Bids. Sealed proposals for the improvement of the thoroughfares described herein will be received at the office of the President and Board of Trustees of Lansing, Cook County, Illinois, until 8:00 o'clock P.M., C.D.T. September 7, 1954 and at that time publicly opened and read.

2. Description of Work. (a) The proposed work is officially known as Section 11-CS, and provides for the improvement of 181st Street, Arterial Street No. 10, from Burnham Avenue to Roy Street; and the improvement of Roy Street, Arterial Street No. 11, from 181st Street to a point approximately 168 feet north of Ridge Road, a total distance of 1138.5 feet, of which 1138.5 feet, (0.2156 miles) are to be improved.

(b) The proposed improvement is to be waterbound macadam base course with 2½ inch bituminous macadam surface (penetration method, Subclass D-1) or 2-inch bituminous surface open-graded aggregate type (Subclass C-2 modified), concrete curb and gutter, drainage and other appurtenances.

3. Instructions to Bidders. (a) Plans and proposal forms may be obtained from the Municipal Clerk for a specified length of time upon deposit of $3.00. (b) All proposals must be accompanied by a bank cashier's check, or bank draft, or certified check for ten (10) per cent of the amount of the bid, as provided in the "Standard Specifications for Road and Bridge Construction," prepared by the Department of Public Works and Buildings of the State of Illinois, adopted by said Department January 2, 1932.

4. Rejection of Bids. The President and Board of Trustees reserves the right to reject any or all proposals and to waive technicalities.

By Order of the President and Board of Trustees of Village of Lansing August 3, 1954.

DOROTHY WERNICKE,
VILLAGE CLERK.

Town and Country Flower Show One Highlight Of County Fair

A "Town and Country Flower Show" featuring some 1,000 entries of lovely varieties including floral arrangements will be one of the highlights of the Lake County Control State Fair August 21 to 28 at Crown Point.

The show, sponsored for the second consecutive year by the Lake County Garden Clubs, will be a three-day exhibit opening Wednesday, August 25, and closing late Friday, August 27.

The entries will be judged on the basis of the entrant's interpretation with flowers of the "town and country" theme and ribbons will be awarded for the best of some 160 different varieties in three classes.

Show classes will be 90 in specimens, 20 in the junior class and 50 in the artistic. Ribbons will be awarded to the first, second, and third best, honorable mention, best in class and non-competitive.

Nine Lake garden clubs are members of the sponsoring group and each club is required to exhibit a floral table piece. The clubs are: Crown Point, Gary, Hammond, Hobart, Lowell, Hessville, Cedar Lake, Turkey Creek and the Yo-Hee Garden Club of Griffith.

Mrs. Fred J. Mabrey of Crown Point, a floral arrangement instructor at Gary's Indiana University Extension, and also at the Hammond Purdue Center, is the clubs' county chairman and superintendent of the fair flower show. Mrs. Raymond Glenn of Gary is co-chairman, and Mrs. John Feltzer, Gary, district chairman.

Card Of Thanks

We sincerely wish to express our thanks to all our friends, neighbors and relatives for the kindness and sympathy shown during the recent loss of our dear husband and Daddy, Clarence W. Schultz. Also for all the beautiful flowers. Memorials and cards, and the different organizations which took part. Especially we wish to thank Pastor Krause.

Teach Children Rules To Live By

Whether your children walk, ride a bicycle or climb on a bus to get to school, give them a set of safety rules to live by.

Knowing where and how to cross the street or road is important for children who walk to school, says Gordon McCleary, University of Illinois safety specialist. If possible, they should always use marked crosswalks. And, after seeing that the way is clear, they should walk—not run—across the street.

Children who obey authority—whether it's a school patrolman, policeman, teacher or bus driver—are most likely to return home unharmed. If there isn't anyone to guide them, they should be taught to look in all directions for traffic before venturing into the road or street.

Where there are no sidewalks, children should walk on the left-hand shoulder of the road so that they can see oncoming cars. A bright jacket or cap will help drivers see them.

Bicycle riders must not only obey traffic signs, but must be ready to give way to thoughtless or careless drivers. Bicyclists should use the right lane and keep close to the curb or edge.

McCleary says children who ride the bus to school should follow two rules: Obey the driver, and be careful of traffic when entering or leaving the bus. There's always the chance that a driver may not stop when the school bus does.

Happy Birthday

Illinois Anglers Seeking Out Local Streams

More and more Illinois anglers are seeking out local lakes and streams to cast their lines—and luck—upon the waters.

Last year some 807,209 native Illinoisans bought fishing licenses. That's 96,556 more permits than our next-door-neighbor, Wisconsin, issued to its citizens.

But the famed Northern fishing state sold an additional 301,250 licenses to visitors, while Illinois counted just 21,956 to out-of-towners.

Conservation authorities point out that Illinois fishing enthusiasts can now find a good fishing spot within a few miles drive in any part of the state.

Commenting on the increased popularity of fishing in Illinois waters, Chas. M. Hayes, president of the Chicago Motor Club, credited it to two factors:

1. Postwar development of fine fishing areas in various parts of the state.

2. Improved roads that bring motorists not only to new fishing areas, but to many spots formerly out of reach by auto.

One of the most recent artificial lake development projects is in the Red Hills Conservation area near Lawrenceville, Illinois. Completed in December, the lake offers 43 acres of public fishing waters. Another is Lake Argyle near Macomb, McDonough County in the West Central part of the state.

At least one fine fishing lake can now be found in each of the 102 Illinois Counties. With the stepped up pond-building program the number of fishable spots will increase until there will literally be one "just down the road."

Rod-and-reel fans are assured, too, that Illinois waters are among the most productive in the world for developing fish. This was revealed in experiments by the Illinois Natural History Survey. The important thing is bichly fertile soil—and Illinois has plenty.

Another incentive for developing Illinois fishing waters, said Sam A. Parr, superintendent of the fisheries department, is a federal aid program. For every $100 spent on the development, the program returns $75 to the state.

Oak Glen
La

How one of those people who have found it impossible to save in spite of your truest efforts! You can save— if you will learn the simple system that worked for Mr. and Mrs. Charley L. Whatley of Cuthbert, Georgia.

This couple were employed in a tire factory at a pay of about $40 a week apiece—yet they were able to save $6,925 in U.S. Savings Bonds! How did they do it? Just the way you can—on Uncle Sam's wonderful Payroll Savings Plan!

Why will Payroll Savings work wonders for you?

Even though you've never been able to save a dime before, Payroll Savings will succeed for you because it saves for you before you even draw your pay. Here's all there is to it:

You go to your company's pay office and join the Plan. You say how much you want to save (it can be as little as a couple of dollars a payday.) The money is automatically saved from your pay envelope each payday and put toward a U. S. Series E Savings Bond. When enough is accumulated, it is invested in a Bond in your name and the Bond is immediately handed over to you.

And how that saving will pile up! Just for example, if you can save only $1.85 a week, in 9 years 8 months you'll have $1,047. If you can save $25.00 a month, in 9 years 8 months you'll have $3,272. And if you have a very good income, one that will let you save $18.75 a week, you can retire through Payroll Savings—with $25,798 at the end of 19 years 8 months. All in safe, solid, interest-earning Series E Savings Bonds!

Isn't it worth a try?

Eight million working people today are finding freedom from money worries by investing in Bonds through the Payroll Savings Plan. How about you? Give it a try by signing up today, where you work.
