volume 40, number 54, saturday, january 15, 1972 - 15 cents

Mrs. Joseph Vegh, left, and Mrs. Horace Hodges of the Merrillville Woman's Club check some of the literature presented to clubwomen attending the Jan. 13 home life workshop in Lansing. Representatives from all Lake County federated womens clubs were invited. (SUN Photo)

Merrillville H.S. Offers College

Indiana State University will offer six evening extension classes at Merrillville High School during the spring semester.

Beginning Wednesday, Feb. 2, 6-9 p.m., will be Research in Education, (Education), Guidance in the Elementary School (Education), Trends in Industrial Arts (Industrial Arts), Organization and Administration of School Health Programs (Health), and Therapeutic Recreation (Recreation). All offer three hours credit.

Beginning March 15, 6-9 p.m., will be Improvement of Instruction in Vocational Business & Distributive Education, (Business), two hours credit.

Enrollment may be completed and fees paid at the first meeting of the class. Fees are $20 per semester hour for credit and non-credit students.

More information may be obtained by contacting the ISU Division of Extended Services, Terre Haute.

Additional ISU extension classes in northern Indiana will be held at Crown Point, Fowler, and Logansport. ISU will offer 89 extension classes in 21 communities during the spring semester.

From left, Mrs. James Patton, Mrs. Richard Kiser and Mrs. William Rutter of the Merrillville Junior Woman's Club make a threesome at Thursday's home life workshop at the Lansing Sportsman's Club. (SUN Photo)

HOOF PRINTS

Kahler Middle School News

By Stacey Vesalak

&

Terry Gubbins

The Kahler Aeolian Choir is having a popcorn sale on January 26, 1972 Wednesday. The popcorn will be sold at the three noon hours in the foyer for ten cents a bag. The choir is trying to earn the money to buy new risers, and to meet expenses for the annual choral contest this spring.

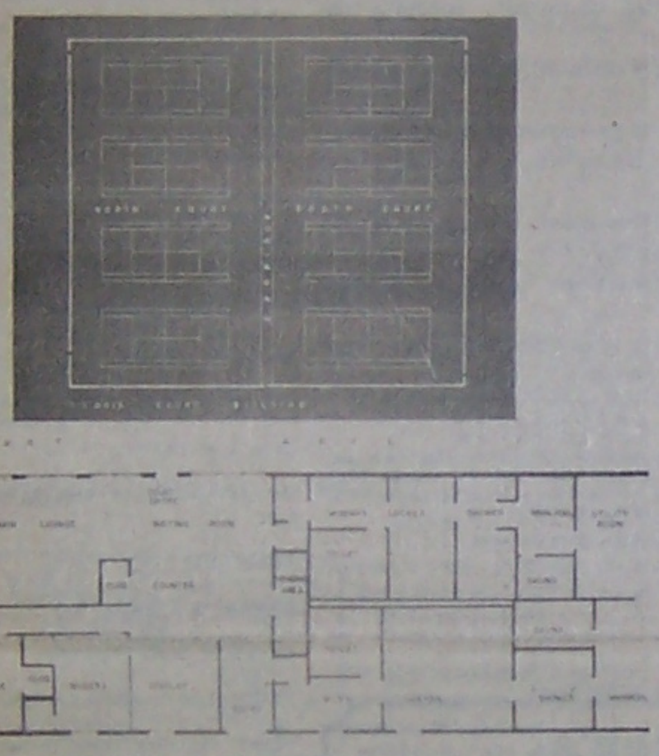
The gymnasium walls were painted January 3-7. This paint job included the walls and divider. Now we like to show off the beautiful blue at basketball games.

The seventh and eighth grade basketball teams played Griffith Tuesday. The seventh grade team lost 47-25; however, the eighth grade team won 39-25.

The Kahler Kadets is now being organized which is a club to take the place of student council and other service organizations. The Kadets will help in school events to sell tickets at sporting events, collect attendance slips, sell refreshments, work in the student store, serve as hall patrols, and library aides.

The varsity and concert bands are getting ready for the concert on February 13 at 2:00 p.m.

The choir and varsity and concert bands are now practicing for the concert in March.



This detailed floor plan shows the layout of the indoor tennis courts and its connected clubhouse to be located in the Mansard North apartment complex, which is scheduled for completion early in August

Indoor Tennis Is Coming

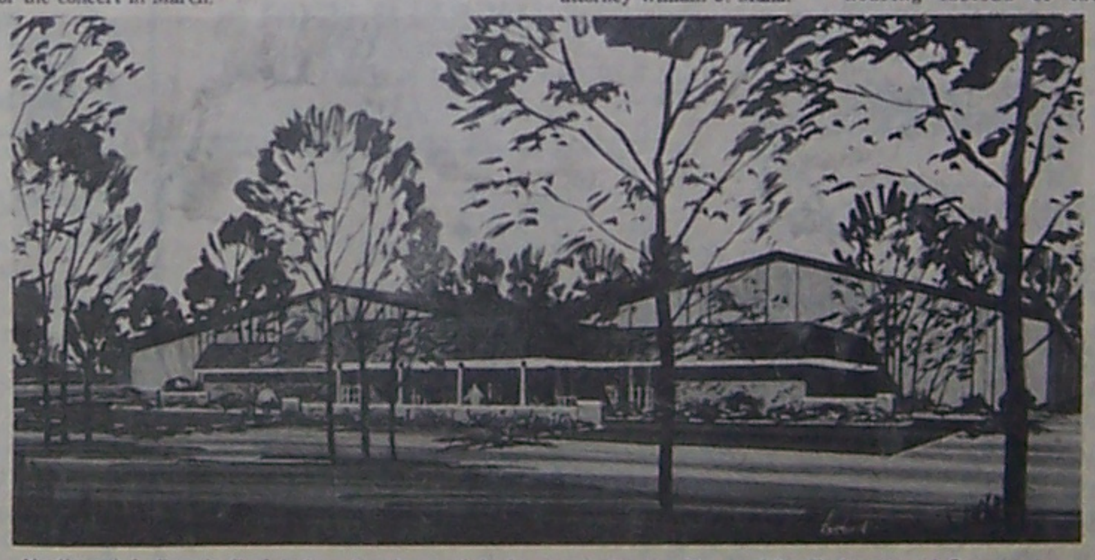
Griffith Planners approved construction of an indoor tennis court for Mansard Organization with the stipulation the plans be okayed by the Safety Committee and the Board of Zoning Appeals approved the parking plans.

Commission President Gerald Barenie said he wants to be sure fire trucks will be able to get to the facility.

The Mansard Racquet Club is to be built north of Ridge Road and east of North Arbogast Avenue in Griffith. This huge 60,000 square foot tennis facility is to include eight professional indoor tennis courts, steam baths, saunas, whirlpools, attended nursery, a pro shop featuring boutique fashions and sporting goods, a large formal observation lounge, and plush locker rooms.

Ronald L. Harwood, Mansard Superintendent, stated that the highest quality, most modern lighting equipment will be used for court illumination. The quality of court lighting is to far exceed that of many of the Chicago area's other indoor tennis clubs. It was also stated that The Mansard Racquet Club parking areas are to be attended by a security patrol.

The Mansard Racquet Club, which is to be completed during the summer of 1972, will be in full operation for the fall and winter indoor tennis season. Membership, which is open to the general public will consist of approximately 1000 members. Applications for membership are now being taken in the offices of The Mansard Apartments.



Northwest Indiana's first indoor tennis court to be located in the Mansard North Apartment Complex is shown in this artist's drawing.

Pair Sues Town Over Church OK

Two Griffith residents have filed suit against the Griffith Plan Commission, building inspector and Evangelistic Temple over the approval to construct a church at 1300 N. Broad St.

Carel R. Russell, 1343 N. Griffith Blvd, and David W. Higgins, 305 W. 40th Place, are complainants in the suit filed in Lake Circuit Court by their attorney William J. Muha.

The suit alleges the Board of Zoning Appeals illegally approved parking for Evangelistic temple without advertising. That the Plan Commission relied on this information, in error.

It alleges the public hearing advertisement for subdivision approval before the Plan Commission appeared in the paper nine days before the hearing instead of the required 10 days.

It also states adequate easements for widening, sloping and deepening Cady Marsh Ditch are not provided. That the approval decision is contrary to public interest in that is creates drainage problems.

It charges that the decision was arbitrary and capricious and not warranted by the facts. It also alleges a secret meeting was conducted.

Evangelistic Temple was granted a building permit to construct a church building about two weeks ago on the five-acre site. Residents in the Ready School area had fought the building because they want the area for a park. They had urged the town to condemn the property and purchase it for recreation use.

They had also argued their property would be flooded from the storm water runoff.

The land was owned by the town until four years ago when it was sold to Dick Johnson for $14,100 for the construction of a funeral home, however, he moved out of town. At that time the land was appraised for $14,000. The land is now valued at about three times that amount. Jack Hilbrich will handle the case for the town.

Celebration For Tin Can Pete 'It's His First Birthday'

Tin Can Pete is celebrating his first birthday. On January 14, 1971, Industrial Disposal Corp. of East Chicago, Ind. delivered bins to the two Burger Super Markets in Munster to be used as receptacles for tin cans.

The Munster League of Women Voters quickly set up their "Campaign" to acquaint residents about the recycling of their tin cans, which were to go to the M & T Chemical Co. in East Chicago for the detinning process. Can-tests were held in the elementary schools. League members attended various club meetings and discussed this recycling program. The community responded wholeheartedly. Then a third bin was ordered and placed at the A-Mart parking lot. Calls came from service organizations in the Calumet Region who wanted to participate in this most vital environmental program. Today, throughout the Calumet Region you will find Tin Can Pete in 21 locations in seven Indiana and two Illinois communities-his friendly grin greeting all people interested in saving our environment.

Also, the Munster League of Women Voters would like to stress that Tin Can Pete cannot accept any paper or glass. We urge residents to take their glass to the glass depot in Lansing, Illinois, located behind the Village Hall. The Munster League of Women Voters are not handling the recycling of glass at this time.

Happy Birthday, Tin Can Pete! You did a lot of growing this past year. Pictured with their friend are (from left): Mrs. Ted B. Tom, president of the League of Women Voters, James Shoemaker, and Mrs. George Griger, vice president. The League is very busy nurturing the growth of Tin Can Pete. (SUN Photo)

Marine Sales Planned

Griffith Youth Commissioners' are looking toward the summers months and are making plans to avert any possible trouble in Central Park.

A meeting will be set up with members of the police department, Park Board and Safety Committee to learn what steps can be taken to stop problems before they start. The meeting is tenatively scheduled from 8 p.m. Jan. 27 in the town hall.

New member Ron Soverly suggested several measurers to prevent a repeat of last summers situation. These included, posting no liquor signs, one-way streets and a civil defense patrol.

Other panel members suggested installation of a stop sign at the T-intersection of Oak and Griffith Blvd. to help slow down the traffic.

Soverly said that last year parents would not bring their youngsters to the park after 4 p.m. because of "bad elements" in the park.

He and Commissioner Nancy Jaeger will head the committee for this matter.

In other business, Mrs. Jaeger reported she talked with Commissioner Bob McKenny concerning his desire to stay on the board. Last month the board agreed to check into this matter because McKenny has not attended any session since his appointment last October.

Mrs. Jaeger reported McKenny's absences were due to personal and family illnesses. One month his mother was extremely ill, the next month his son was hospitalized and the following month McKenny, himself, was confined to the hospital. He was absent from this Thursday's meeting because he was out on an emergency job.

She said McKenny has worked with the youth of Griffith for several years in the baseball programs and believes his is interested in continuing on the board. The commission agreed.

Commission members will be investigating the possiblity of reinstituting teen dances this summer. It was reported that Lynn Darrin has expressed an interest in assisting in this project.

JC Night International

'International Night', sponsored by the Dyer Jaycee's. The Rev. John David, Zion United Church, will give a talk and show a film strip on India. It will be after the General Business meeting at 9 p.m. Thursday, Jan. 20 at the Elks Hall. Anyone interested is welcome to attend this lecture.

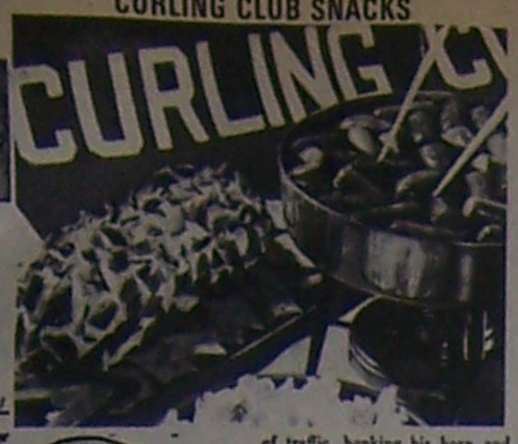
Bloom Twp. Folks Meet

Meeting Jan. 12, were teachers representing Bloom Township High School District 206 and residents of Sauk Village, Chicago Heights and neighboring communities to discuss individual views of the freshman and sophomore, junior, senior institutions.

The village residents were invited by Bloom Faculty to the session at 7:30 p.m. in the administration center.

Topics discussed included the length of the school day, teacher salaries, class sizes, revising the current curriculum, and human and public relations.

CURLING CLUB SNACKS



Anyone unfamiliar with the sport of curling might call it the "Fun with Brooms" game, but an experienced curler knows it requires skill and strategy. Curling originated over five centuries ago in Scotland and gets its name from the stone, which is always given a slight turn that causes it to rotate or "curl" as it slides across the ice. In a match, teams take turns sliding the stones over a stretch of ice toward the target circle. Two energetic players "sweep" the ice in front of the stone with brooms to influence the path of the stone as it moves across the curling sheet toward the target circles. The center of the circles, "the house" is the tee and stones are measured from the tee to determine the score.

Of course, food is part of the fun of a "bonspiel", and these snacks are Curling Club specialities. They can be easily prepared for a crowd of starving curlers after a match.

Links in Currant Mustard Sauce

Melt currant jelly and prepared mustard in pan (allow 2 tablespoons mustard to a jar of currant jelly). Add Oscar Mayer Little Smokies and Oscar Mayer Little Wieners or regular wieners cut into bite-size pieces. Heat through. Keep warm over low flame. Use toothpicks for serving.

Braunschweiger Log

Remove the package from a one-pound tube of Oscar Mayer Braunschweiger Liver Sausage taking care to retain its shape. Frost the outside with whipped cream cheese and sprinkle with cooked crumbled bacon. Spread on crackers.

While waiting for a bus on New York's Fifth Avenue, I noticed a woman looking another over from head to toe. When she finally completed her appraisal, the victim smiled and asked cheerfully "Well —what's the verdict?"

A tourist was being taken for his first New York taxi ride. The cabby wheeled wildly in and out of traffic, honking his horn and cursing other drivers. Suddenly a pedestrian stepped off the curb against the light and the cabby slammed on the brakes to miss him. Apparently figuring such unusual courtesy called for an explanation, he turned around to the passenger and said: "If you hit 'em, you gotta fill out a report."

Trivia Teasers

Do You Know?

A tip of the Trivia topper to Maxine Conway of Munster who took all the marbles last week with a flawless entry. Max's ten answers were 100% on the money and she did get her entry in that mailbox fast. There was still an element of luck involved, though, her entry was drawn from 15 other entries that arrived the same morning . . . all correct. To the victor goes the dinner for two at Dominic's fine restaurant in Calumet City. Max's answers were: 1) **Jane Wyatt** played the mother on "Father Knows Best" 2) **Burt Ward** plays Batman's friend Robin 3) **Ben Alexander** was Joe Friday's first partner 4) Hit Parade stars included **Dorothy Collins, Snooky Lansen** and **Russel Arms** (you could have used **Giselle McKenzie** or **June Valle**, too) 5) **Marie Wilson** was "My Friend Irma" 6) **Barbara Hale** played Perry Mason's Della Street 7) The "heavy" on Howdy Doody was **Phineas T. Bluster** 8) **Jose Melis** led the band for Jack Parr (**Skitch Henderson** did for awhile also) 9) Clark Kent worked for **The Daily Planet** 10) Topper was played by **Leo G. Carroll** (we mistakenly called Topper a ghost, which he wasn't, so we accepted the names of any of the ghosts as correct, either **Robert Sterling** or **Anne Jefferies**.

Try it yourself this week. Dinner for two awaits you if you get your entry in the mail fast. Mail it to TRIVIA TEASERS, The Sun-Journal, 18127 William St., Lansing, Ill. 60438. Good luck.

1) How many Senators in the US Congress?
2) Who becomes President if Nixon and Agnew die?
3) What is the address of the White House?
4) Name four democrats running for President in '72
5) Where did President Nixon go to college?
6) Agnew was governor of what state?
7) Who was Humphrey's running mate in '68?
8) What is the most famous river in Washington D.C.?
9) Which President was a "Rough Rider"?
10) How many grandchildren does President Nixon have?

CRYPTOQUOTE — Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

F H F K R B V J P U B V L B Y F D F J H F Q W L R N F Q L J Y B S F P D V L P B — O C L B S.

ANSWER

SAY HE SAID TO ENCHANT—PLATO.

Women Have Their Day In The SUN

by MARY SHABER, WOMEN'S EDITOR

Surprised On Birthday

Mrs. Victoria Miotke of 625 Forsythe Ave., Calumet City, was guest of honor at a family surprise party Dec. 22, celebrating her 79th birthday.

Hostess for the event was her daughter, Mrs. Donald Paulawski of 9621 Boulevard Dr., Highland, Ind.

Other children present for the occasion were her son, Arthur, who celebrated his 51st birthday on the same day, and Joseph Miotke, both of Calumet City.

Mrs. Miotke has nine grandchildren and six great-grandchildren.

Pledge Service Planned

Mrs. Frank Novak J., 18013 Wildwood Ave., Lansing, will be hostess for the Jan. 18 meeting of Eta Upsilon Chapter of Psi Iota Sorority, scheduled for 8 p.m.

Guest speaker for the evening will be Mrs. Thomas Highland, director of the Lansing School of Special Education.

The evening will include a pledge service, welcoming Mrs. Lawrence Hardy Jr., a prospective new member.

Exchange Vows Christmas Eve

Barbara Lea Gardner and Lawrence David Burgess chose Dec. 24, Christmas Eve, to repeat double ring wedding vows at First United Methodist Church in Lansing. The Rev. Joseph Keller officiated at the 6 p.m. ceremony as Sue Keller, organist, provided background music.

The bride is the daughter of Mr. and Mrs. Keith G. Gardner Sr., 17933 Oakwood Ave., Lansing. Her husband is the son of Mr. and Mrs. Leslie U. Burgess Sr. of Harvey.

MR. AND MRS. LAWRENCE D. BURGESS
(barbara lea gardner)

The bride appeared on the arm of her father, dressed in a white floor-length gown of lace over satin, featuring a full skirt and V-neck. Her cathedral veil was bordered in lace and she carried white roses. Her maid of honor was Brenda Lea Gardner, her sister, wearing a gown of royal blue velvet. She also carried white roses. Robert Burgess served his brother as best man.

Members of the immediate family were guests at a reception that followed the wedding at Rich's Restaurant, Lansing. The couple postponed the honeymoon trip until July when they will tour the Eastern part of the states.

They are now at home at 13705 S. Stewart Ave., Riverdale, Ill.

The new Mrs. Burgess is a graduate of Thornton Community College and is employed by Marshall Fields. Her husband, a U.S. Army veteran, is a 1966 graduate of Thornton High School and is employed as a printer.

Thornton GOP Women Slate Joint Meeting

The next meeting of the Thornton Township Republican Womens Organization will be a combined session with the Thornton Twp. Young Republican Organization Monday, Jan. 17, at 8 p.m., at the Thornton Township Town Hall, 333 E. 162nd. Street, South Holland, Ill.

Speaker for the evening will be Robert P. Hanrahan, former Cook County Superintendent of Schools. He helped create the Cook County Council on Drug Abuse Education, helped sponsor an Ignorance and Law Conference for Teachers and Administrators, aided in the production of a T.V. Documentary on Handicapped Children and Special Education, Created a Cook County Teacher Advisory Council and fought for many Education Bills passed by the Illinois General Assembly.

He holds many degrees from Bowling Green State University and lives in Homewood with his wife and three sons. The following new Officers for 1972 will be installed at this meeting: Helene Christensen, President; Anita Coleman, First Vice-president; Estelle Rechlicz, Second Vice President; Lois Stauff, Recording Secretary; Mary Eckstein, Corresponding Secretary.

Also, Esther Henrichs, Treasurer and Irene Dahl, Sergeant-at-Arms.

Membership Dues for 1972 are now payable. Refreshments will be served after the meeting by ladies from Dolton and Homewood. The meeting is open to the public.

Cook books are still on sale and can be purchased at the meeting or by calling Donna Jacobs at 339-1140.

Members of the fine arts department of the Lansing Woman's Club meet at the home of Mrs. Edward Jozwiak, 2344 - 184th Pl., Lansing, for luncheon before touring the Merrill Chase Art Gallery in River Oaks. From left, Mrs. Edwin Kremske, Mrs. Jozwiak and Mrs. Warren Moe. (SUN Photo)

WLNR Kicks Off Community Awards

Wendell Borrink, station manager of Illiana FM Broadcasters, Inc., radio station WLNR, announced that WLNR will launch its 1972 community public service broadcasting schedule bringing to the Calumet Region the internationally acclaimed Community Club Awards.

Community Club Awards, or CCA as the plan is widely known, is currently being conducted in most of the major cities in the United States, as well as Australia, Canada and Puerto Rico. In the 17 years since the plan's inception, more than $7 million dollars has been made available to the women's civic, religious, fraternal, social and charitable organizations throughout the world.

Over 100,000 club participations, involving six million women have competed in CCA throughout the years to earn cash awards for local club treasuries.

"Over $100,000.00 has been earned by Illinois club women alone", said Borrink. "Inasmuch as CCA, over the years, has been successful throughout Illinois, we looked forward with great anticipation to meeting with representatives from nearly 100 woman's organizations at our kick-off meeting at the Embers Restaurant Jan. 11.

Community Club Awards, open to all Calumet Region women's clubs or auxiliaries as a fund-raising activity, will actually commence operation in early March.

"In addition to specific cash awards totaling $1,500, the station executive related, every organization that participates in the campaign is guaranteed a participation award over and above the $15,000."

Hostess for the coffe-meeting for Radio Station WLNR was Dotty Rice, local clubwoman. She has been active in organizations in the Dolton and South Holland area during the past years. Mrs. Rice will serve in the capacity of Community Club Awards director for Station WLNR during the forthcoming CCA campaign.

Bishop Noll Women Plan Style Show

Mrs. Ruth Banas of Munster will discuss her travels in Hawaii and South America when she speaks to the Bishop Noll Women's Club Jan. 18 at 7:30 p.m.

The topic will be timely since the club is presently planning a spring style show of Hawaiian fashions March 8.

It was announced proceeds from the Dec. 4 annual luncheon were donated to the school. The event included the sale of home baked goods and approximately 700 items sold in the Yule Shop.

Potatoburgers

1 pound ground beef, 2 cups potatoes, unpeeled and coarsely grated, 1/4 cup onion, coarsely grated, 1 1/2 teaspoons salt, 1/4 teaspoon pepper, 1/4 cup vegetable oil. Combine beef, potatoes, salt and pepper.

Mix well. Shape into 8 patties. Fry patties in hot oil until brown, 3 to 5 minutes. Turn and brown on other side.

St. John Women To Participate In Awards Event

Women of St. John Lutheran Mission Society, Calumet City, will participate in the WLMR Community Club Awards, during the spring campaign.

Reel Squares Give Lessons

The Reel Squares, a square dance club, will give introductory lessons to those interested on two consecutive Tuesdays, Jan. 18 and Jan. 25 from 8 to 10 p.m. at the Calumet Township Scout Hut. For additional information call 933-4607.

Kappa Deltas Set Workshop

South Suburban Alumnae of Kappa Delta Sorority will hold its annual philanthropy workshop at the January meeting at the home of Mrs. James Cull, 135 Mildred Lane, Chicago Heights.

At this time, felt lap boards will be made for the children in The Crippled Children's Hospital, Richmond, Virginia.

This hospital is the national philanthropy of Kappa Delta Sorority.

New Kappa Deltas in the area may call Mrs. Wallace Lenox at 798-0080 for further information.

SAUK VILLAGE

Mr. and Mrs. Billy Weaver, a boy.

Twins Ring In New Year At Hospital

Saint Margaret Hospital rode into the New Year on the crest of a population "boomlet." Five sets of twins were born within 24 hours during the closing days of 1971, apparently setting a record for the hospital. This brought the number of sets of twins in the nursery to six and a half, the greatest number at one time that anyone at SMH could recall.

Twins began arriving with the birth of boys to Mr. and Mrs. Robert Schwingendorf of Highland at 5:13 p.m. Dec. 28. They were followed by boys born to Mr. and Mrs. Larry Kemper of Gary at 1:22 a.m. Dec. 29, and a boy and girl to Mr. and Mrs. James Hancock of Gary at 3:33 a.m.; a boy and girl to Mr. and Mrs. Harold Eagan of Highland at 10:59 a.m.; and girls to Mr. and Mrs. Vale of the Robertsdale section of Hammond at 2:53 p.m. Dec. 29.

Already in the nursery were twin girls born Dec. 24 to Mr. and Mrs. James McLaughlin of Posen, Ill. The "half set" was the infant son born Dec. 26 to Mr. and Mrs. Vincent Gallo.

Old Wives-Tales On Childbirth Debunked

Jan. 3 and 4 marks the beginning of the second year of service by "Prepared Childbirth Education" to residents of both Indiana and Illinois. The year-old-organization was formed to provide information to expectant couples interested in sharing the birth of their baby through the Lamaze or Psychoprophy-laxis Method (PPM) of trained childbirth.

The organization's main thrust is to replace fears or wives-tales with proper healthy information, and to provide instruction in the techniques of relaxation, specific respiratory patterns and physical fitness exercises.

Classes are presented by four well-qualified professional women, all of whom are nationally accredited through stringent eligibility requirements set forth by The American Society for Psychoprophy-laxis in Obstetrics, Inc., (ASPO) 7 West 96th Street, New York, New York 10025.

Accredited instructors include Mrs. Myrna Allen of Munster; Mrs. Joyce Lundquist, R.N., of Munster; Mrs. Genny Pictor, R. N., of Hammond, and Mrs. Martha Wilke, R. N., of Hammond.

Prepared Childbirth Education was instrumental in bringing the first accreditation workshop presented by ASPO to the Midwest. The president of ASPO conducted the workshop in April for 20 candidates from Indiana, Illinois and Iowa.

Mrs. Allen is presently serving as geographic representative of the Midwestern states for ASPO. This highly responsible position includes such duties as processing applicants interested in becoming candidates for accreditation, handling other details of future Midwest workshops and answering questions of other instructors in her districts.

The past year has unfolded numerous accomplishments for the "Prepared Childbirth Education" instuctors. A year ago, their first series consisted of 17 couples and never again has a series been so small. All remaining series for 1971 has included 35 to 50 couples causing the instructors to revise their original plans of holding class once a week to twice a week to

In 1971, approximately 300 couples were trained for over 30 physicians within a 50 mile radius. All couples must have written permission from their physician to attend class.

held on Monday and repeated Tuesday at the Westminister Presbyterian Church, 8955 Columbia Ave., Munster.

Other noteworthy events include an invitation from St. Catherine's Hospital, East Chicago, Ind. to present a program regarding the information offered in the 6 classes. Another invitation from St. Jame's Hospital in Chicago Heights, Ill. to attend their Ostetrical - Gynecology medical staff meeting to enable these team members (physicians and instructors) to function more compatibly in assisting the patient to the fullest possible measure.

Civil War Battle Concluded- -

by R. J. GLOGOWSKI

They came with confederate flags to hail their team. They packed the South gymnasium to full capacity. They even cheered their hearts out to the fullest degree. But their team known as the Rebels were dropped softly to the floor by arch villian North of Cal City, 70-48, in last night's encounter of the Civil War held over in Lansing.

They, otherwise known as South the supporters who found seating room quickly by just standing around enjoying themselves watching their club hold a tough North squad almost at an even pace until intermission.

The visiting Meteor ball club only brought their 10-2 record into the south gym last night and matched against the Rebel 6-5 slate it seemed to be just enough ammunition to blow the Rebels off the floor.

But it took the North club a little time to pull one off. Head coach John Dermody of South came up with potent solution to throw at the tough Meteor club. That being a stall which worked for most of the first and kept the hosts right in the thick of things until it started to rust late in the second quarter.

And rust it did as North for the first time ran up a 15 point advantage as the second quarter drew to a close to start turning a closely fought game into a run-away contest.

George Demopolus led the scoring for the Meteors with 17 points pulling off 13 in the first half in an effort to keep the North team up on top score-wise. But it was close.

Brian Summers was second with 13 markers while Bob Gregiolunias hit for 10 with 8 coming in the second half.

Gary Brumm was the only potent scorer for the South with a game high of 15 but still his club couldn't pull off the important victory.

North didn't play the game that they are use to. Usually the Meteor club will toss them in from the far outside amazing their viewers. But they couldn't do it at the South gym as the Rebels opened up the game with a stall that almost turned the contest into a very boring evening.

With North 3-1, at the start of things the Rebels took possession of the ball, brought it downcourt, passed to John Nagy who seemed to be the play maker for his club and once Nagy got the ball it was "save my seat while I go get some pop corn", time.

Nagy just kept the ball curled in his arms and didn't even bother to dribble the orange object. He just stood their admiring the fans. A quick technical was whistled and after Demopolus dropped in a free toss South repeated the process by producing the very same stall.

Nagy once again with the ball. Nagy once again just standing still. Nagy decides to make a bid for the bucket so the Rebel guard drives forward only to find a possible shot visible but he decided to turn around and bring the ball back to almost center court. Why?

This is just about what was taking place during most of the first half. The Rebels were stalling as a part of their game plan hoping to stay within close range of the North ball club.

It seemed to work for a while as the first quarter came to a close with the visitors on top by just three.

South at one point in that first quarter almost tied matters up but a basket by Bob Dillon was washed out and North remained as the leaders, throughout the contest.

The stall remained as part of the game plan for the Rebels with Nagy mainly being the instigator. But matters were getting a little out of hand with rivalry between the two schools being what it is and mid way through the second quarter Nagy found himself tangled up with a pair of North players.

Nagy hit the court hard and opened up a gash over right eye which required a couple of stitches in order to close the cut. The Rebel guard spent the rest of the game sitting in the locker room sitting right next to him was that stall of South's.

For some odd reason, once Nagy left the court the stall was no longer visible as North upped their advantage to 17-11 and for the first time the game seemed to get a bit interesting.

With 1:50 remaining in the first half the Rebels brought themselves within four of the North ball club and doing that against North is an accomplishment within itself.

North came into the game as big favorites but South didn't really care about the pregame physics picks because they almost overtook the Meteors in the second half.

North then started to play a little more at ease. You could tell it was going to happen when Gregolunias displayed his form to the spectators at the close of the first half by tossing a pretty over the shoulder pass to Summers who was all alone on the right side of the bucket for the very easy score.

At the intermission North 29-15, and for the first time the Meteors were in full command of the game even though South did try for a come back performance in the third quarter.

In that third stanza South outscored the Meteors in the next 2 minutes, 6-1, which helped in cutting the gap between themselves and their visitors.

However, the Meteors made up the difference just minutes laer and held a 41-27 lead hanging over the head of South in a form of a tease.

George Sinchak, the Rebel "big man" who was tossed into the game in an effort to pull down valuable rebounds picked up his fourth foul late in the third quarter which required him to do a little bench work for his club.

At the start of the fourth quarter the Rebels brought themselves within 13 of the North club, 48-35, and South seemed to be a bit fired up to now possible overtake the North team.

Summers kept the scoring for his Meteor Club as did Demopolus and once again the Meteors started to pull away from South but this time they did it in a big way.

North out scored the Rebels 24-14 in the final quarter of play to put the game away and it was kind of interesting in the way North displayed this their eleventh win of the season.

Coach Dick Daugherty's club entered the South gym with a couple of major injuries that possibly may have turned the game completely around. Gregolunias playing with an injured finger still found time to perform outstanding on offense as well as defense.

Summers, with his 13 points according to his coach hasn't been healthy since the holidays as Demopolus was to be playing the game with a bad leg. But still North displayed a good game even though the first half was a bit boring.

Overall North sank 21 of 61 total shots from the field while the Meteors completed 24 of 36 from the charity line. For the Rebels they sank 16 of 31 shots throughout the game with five of them coming in the entire first half.

The south club hit 16 of 25 from the charity line where it really didn't coun't.

Quarter per quarter both clubs split as North took out scoring efforts in the first and final quarters while the Rebels sandwiched in the second and third quarters as their out standing performance of the game.

Janet Wrzesinski finds time to do a cheer even though her team isn't performing up to par on the court as North won the Civil War by beating South in last night's battle.

George Sinchak (NO. 54) eyes bucket overlooking three North defenders as Brian Summers (NO. 25), George Demopolus (33) and John Banach (NO. 42) watch on.

IT'S A GOOD DAY!

GRIFFITHITE COLOR BLIND?

For the first time this season, I'm going to give Griffith High School an award. This token of my esteem actually should go to one specific person on the Panther cage squad.

To Rich Lehman, I award the "shirt off my back" award. To earn this award was no easy task. Let me go into minor details about that fatal night in River Forest.

It was game time for the Panthers a week ago and Rich and his teammates were suiting up for the River Forest tilt. Once Rich was completely dressed he looked at one of his teammates and must have thought to himself, "that clown has the wrong color suit with him." When Rich saw two more teammates also approach in gold jerseys and shorts, he realized he had brought the wrong color uniform for the game.

Consequently, Rich sat out almost the entire first half, while his poor father drove all the way home to get the right uniform. Griffith lost the game...possibly because of Rich's absence. So this doesn't happen again, here's a little bit of advice for Rich.

Next week, Rich, you wear the white uniform Friday and the gold one Saturday. Then the following week, just the gold one. From then on I'm going to leave you on your own and see how you do. By that time with a little hard concentration, you should have the system memorized.

TONY THE BARTENDER SAYS

One of the biggest men in the nation these days is a predictor, some call him an oddsmaker, named Jimmy The Greek. Personally I think he's one of the lousiest oddsmakers since the guy that gave ten to one that the Titanic had only a minor leak. You have no doubt noticed that they never print his won-loss percentage.

At any rate, I have found my own oddsmaker and his percentage is much more impressive than the guy from Las Vegas.

Actually, this guy is not an oddsmaker, he's a bartender. At any rate, his name is Tony and he knows football like he invented it. Week after week I listen to him before the games and nine out of ten times he's right. In fact I cannot ever remember Tony losing a bet -- I mean a prediction.

I won't say where he bartends as I occasionally enjoy the free glass of milk he gives me on the house, and would hate to see him get scooped up by some talent scout.

Tony is picking Miami by seven in Sunday's Super Bowl and I am forced to agree with him. However, I can't ever see giving points to the other team. You don't even give advantages to the worst teams in football.

Fishermen Await Ice Fishing Scene

A recommendation to impose a 5-cent deposit on all beer and soft drink containers has been made by the Illinois Solid Waste Management Task Force. This deposit would be required on every sale of a beverage, and would apply to all soft drink and malt beverage containers, including cans and returnable and non-returnable bottles.

The recommendation was made to "reduce the adverse effects of non-return of containers," and will be submitted to the Illinois Pollution Control Board for consideration. The Board will hold public hearings in at least two parts of the state before acting on the proposals, Institute Director Michael Schneiderman said.

Schneiderman said the Institute will provide expert witnesses at the hearings, including specialists in economics and technology in the field, and representatives of the affected industries.

The Task Force also recommended adoption of stronger anti-litter laws, and expanded industry-sponsored public service programs aimed at reducing litter.

The Task Force was created by direction of the Environmental Protection Act of 1970. The Institute is required by law to forward Task Force recommendations to the Board.

• • •

As the weather gets colder, a small group of devoted fishermen anticipate the coming of their season—the ice-fishing season.

For safety, state laws prohibit fishermen from having holes in the ice larger than 12 inches in diameter. Each fisherman is allowed two poles and lines at any one time with not more than two hooks per line. A treble hook counts as only one hook. The ice fishing devices must be in attendance at all times.

Only portable shelters will be allowed on the ice, and after March 1, the shelters must be removed after each day's fishing.

To insure safety, check the ice before venturing out on it. It should be at least four inches thick at all times. As the temperatures rise the ice should be thicker.

The Department of Conservation's Division of Fisheries has recently completed a booklet entitled "1971-1972 Illinois Ice-Fishing Prospects." The booklet lists 30 areas in Illinois which fishery biologists believe will be the best areas for fishing when the ice thickens.

The predictions are based on pre-season surveys, using electro-fishing devices, seining and gill netting. In addition, past winter performances and use observations of the past summer's angler catches are also gauged.

The booklet lists waters by counties, giving the nearest town, best area to fish and the species of fish and average weight anglers are most likely to catch.

For a free copy of the booklet write: Illinois Department of Conservation, Division of Fisheries, 400 S. Spring St., Springfield, Ill. 62706.

North Conquers Rebels 70-48

by CAROL SODERSTROM
and
CAROL SROKA

It hurts more.

Especially when you lose to your arch rival. It's tough, and seemed to be inevitable, so you take it in stride and try not to let it bother you.

But it does.

The North-South Battle started on an exciting note, and as the game proceeded, surprisingly enough, the fans on both sides cheers, seemed to diminish. The North Side had a fetish about singing, "Old MacDonald Had A Farm," and Rebels just replied with, "Go you Meteors, out the back door."

It didn't work. The Meteors stayed around and won themselves a great ballgame and exited through the front door.

The fans quietly walked out of the gymnasium, not bothering to speak, to either side. North didn't even seem to care. It was just another game to them...they won it like most of the rest. But to South, this was one of the most important games to win during the season.

The Rebel pep assembly at school on Friday was not the best North-South Assembly spirit-wise. Apathy at South is more apparent then it ever was before and that seemed to carry over to the game. The high point of the assembly was when the junior class presented their seven-foot simile of Richie Rebel and displayed the North flag, to the surprise of the other classes. Everyone screamed, but it didn't shake the rafters as it used to a couple of years ago.

At the game, the most spirited fans were the sophomores, for their own squad. But after their one-point loss, their spirit died and they didn't really carry on to the Varsity game where it was really needed.

Of course there are the many loyal fans who attend all of the contests and yell until they are hoarse. But there should be more. Just because the South was predicted to lose by twenty points, no one should abandon all hope. It was proven wrong last year when the Rebels beat North in their first battle with the Meteors.

So the band will keep playing and the team will keep trying...will the fans ever add their support?

Sharon Holmes shows her enthusiasm as the North cheer leader leaps for joy as her team beat South in last night's conference game.

Gary Brumm (NO. 20) watches his shot enter the bucket as Mike Hanyzewski (NO. 23) watches on as North beat South in last night's encounter at the Rebel gym, 70-48.

SUN-JOURNAL SPORTS SCOREBOARD

With Bob Glogowski

Ron Griffin set a new school record at Calumet this past week by earning a speedy 11 second pin of his opponent to help along his Calumet club to their sixth wrestling win of the season by dumping Lowell, 42-8.

Griffin is currently undefeated this year on the mats in seven meets which just goes to show you just how strong this athlete really is. Calumet's Dave Sharky also received some recognition from his coach as Sharky was termed, "an outstanding wrestler and probably best in the area". Calumet's overall performance is 6-1.

Highlands wrestlers continue to dominate the Lake Suburban Conference by beating Crown Point, 43-2, as the Trojans won 11 weight classes altogether.

Earning victories for Highland were Art Yulbrick (100), Tom Devine (107), Mike Smith (140) who pinned his opponent Chuck Barman and Ted Crawford (147) who picked up a decision verdict over his opponent.

The Griffith Panther wrestlers earned another victory by trouncing Lake Central, 29-20. The Panthers won six weight classes in which three of them came about on pins.

Star performers in that Lake Central meet were Derek Underwood (100), Al Mathews (107) who pinned Indian Mark Frank and Dan Tuttle (140) who also performed a pin of his opponent. The Lake Central record is now down at 1-6.

Word from Bishop Noll is that their wrestlers continue to remain undefeated this season with a perfect 8-0 slate. Some of the names to watch for during the remainder of the season is Rich Murphy (98) who is undefeated with an individual 8-0 record as well as Bob Murphy. Other undefeated performers on that Noll club are Jeff Svoboda (112) with a 2-0 record and Lee Sredzinski (119) who holds down a pretty 8-0 record while teammate and captain of the squad Lupe Solis (120) also is among the unbeatens in seven outings.

Noll's swimming team is 3-5 this year but the club has been infected with a number of key injuries that are hampering the star performance of the club itself.

Senior and co-captain Mike Riley who will be out of action indefinitely was third in the State last year in the 400 yard free-style and of course Noll will miss his performance in the water as the season reaches its half-way point.

Also on the injury list at Bishop Noll are seniors Doug Kamradt and George Fitzpatrick. Kamradt tore a muscle in his back weight lifting and will be out of action for a couple of days. The Bishop Noll backstroke expert was fifth in state last season.

Fitzpatrick is a free-styler but has a shoulder injury that may be burdening his performance lately.

A turn into the state of Illinois shows us that the wrestlers from Calumet City otherwise known as the Meteors of T. F. North earned a, 37-13, triumph over Crete last week. Winners for North were Ray Briscoe (98), Dan Trepak (105), Jeff Lundy (145) and John Scherrer (155).

North swimmers are currently holding a 5-3 record thus far with a recent victory coming over Downers Grove South, 56-39. Mark Larson finished second in the Butterfly while Ed Novac broke a school record in the 60 yard free-style with a time of 2:93.0.

Senior and captain of the North swim team Dale Parker is the most consistent winner in the backstroke event while Tommy Micetick deserves some recognition as he has only been beat twice all season long by the same man. Micetich performs the breaststroke for the North swimmmers and continues to receive praise from his coaches. Mark Vesulowski is also a big name at North when it comes to swimming. Vesulowski performs the relays as well as the 50 yard free-style.

Opposite of North is South and from South we look at the Rebels who lost a wrestling match just recently to Rich Central, 26-15. Rebel wrestlers are 4-6 thus far but do have some potent talent on the squad.

Steve McGilbery (132) holds down an individual 8-1 record and is the most consistent winner on the team. Jim Nelson (155) is 6-0-2 while Dan Handly (102) is 5-3. Heavyweight Mike Rubino is 6-3 thus far on the mats for the South.

Thornwood swimmers picked up a pair of victories in the pool by downing Bishop Noll Academy of Indiana, 63-32. Double winners for the Thunderbirds were George Roback and Gary DeGraff. DeGraff set a new school record in the 200 and 400 yard freestyle events by turning the trick at 2:04.4 in the 200 yard event.

DeGraff repeated the process in the 400 yard race with a time of 4:25.5. Thornwood's other victory came at the expense of Kankakee Westview, 70-25, in a duel meet. Once again DeGraff was outstanding for the Thunderbirds as was Dave Hansen in the 100 yard backstroke.

A closing note. Eight mat teams will get together today to compete in the fourth annual Hobart wrestling invitational which is slated for 9 a.m.

Champion Calumet is expected to receive some heavy pressure from powerful Highland who owns a pair of unbeaten athletes on the mats this season in Dave Devich (187) and teammate Ted Crawford (147).

Calumet will be relying upon the skills of their heavyweight Tom Bruch, Dale Reisitter and Mark Davis to successfully defend its title.

Second round action will start at 2 p.m. and the finals will begin at 6:30.

Rebel guard Bob Dillon (NO. 42) displays his form while North guard Bob Gregolunas (NO. 13) hits one from the outside as John Wescott (NO. 14) looks on.

Fishing Scene

continued from page 4

Central Division of the American Fisheries Society.

Lopinot, a 20-year veteran of the Division of Fisheries, was elected at the 33rd Midwest Fish and Wildlife Conference, held recently in Omaha, Neb.

The North Central Division of the American fisheries Society is a 1,100-member body comprised of technical fisheries personnel from 12 states and two Canadian provinces—Illinois, Indiana, Iowa, Kansas, Manitoba, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, Ontario, South Dakota and Wisconsin.

Lopinot will assume the presidency at the 34th annual meeting which will be held next year in Des Moines, Ia.

The world's population of wild whooping cranes has increased to 59, two more than last year, the Interior Department's Fish and Wildlife Service has reported. This is a record high since efforts to rescue the endangered bird from the brink of extinction began in 1941.

An aerial survey at the Arkansas National Wildlife Refuge in Texas, where the rare birds winter after spending summer in the Canadian wilds, revealed 54 adult and 5 young whoopers on the refuge grounds and adjacent Matagorda Island. All appear in good condition, according to refuge personnel.

This tops last year's record of 57 which consisted of 51 adult and 6 young. Wild whoopers numbered just 15 in 1941, exceeded 30 in 1947 and topped 40 in 1964.

The present total of 59 may grow in coming days, but no birds have ever arrived at Aransas after Christmas. This year marks the first time that one of the young cranes has arrived after November.

Michael Hudson, 18120 School Street, is pictured here with the 38 lb. dolphin he entered in the Metropolitan Miami Fishing Tournament. He fished out of North Miami Beach with Capt. Tom Salvano on the Sport II. He will be awarded a Citation for his catch.

191ST & BURNHAM LANSING

PASQUINELLI Construction Co. Phone 895-1227

MODELS OPEN 7 DAYS 12 TO 8

Announcing its most successful year to date, Pasquinelli Construction Company reports 1971 volume in the firm's various projects will approach $8,000,000, an increase of 50% over the previous year.

According to Tony Pasquinelli, the company's volume represents over 200 single family residences and 25 four-flat buildings.

Current building includes three separate subdivisions in the popularly-priced mid-$20,000 class. The firm is building "Meadow Lane," in Dolton; "Lansing Green" in Lansing and "Willow Lane," in Tinley Park. Each subdivision has a distinct market and appeal, notes Pasquinelli.

"In Dolton, with homes priced from $23,990, we are appealing both to the young couples and families and also to the older group, including the retired element, to some extent.

"At Lansing Green," he declares, "our newest community, in Lansing, we are finding strong interest on the part of second homebuyers who appreciate the high quality and large homesites of these homes priced from $26,990. In Tinley Park, at Willow Lane, we are experiencing a lot of young marrieds coming out of apartments. There the homes start at $26,990."

All the Pasquinelli homes offer brick construction, formal dining room, eat-in kitchens, oak floors, wood windows and paved driveways.

Your Guide To Better Living

Community Enterprises

This spacious 12'5" kitchen in THE KILMER, one of three styles of townhomes in Park Forest South, Illinois, allows plenty of working space for the "gourmet cook".

THE KILMER, popularly known as "the honeymoon cottage", is a cozy two bedroom one story townhome in the Russett Oaks area of the new town.

Pasquinelli

continued from page 6

Typical of the builder's communities is Willow Lane, located at 167th St. and Oketo (7300 W.), in Tinley Park. Two brick bi-levels are on display, including the Oak model, with prices starting at $25,490. With monthly payments as low as $161 with just $2550 down; this is based on a 30-year loan, 360 payments of $161 for principal and interest. $23,000 loan at annual percentage rate of 8%.

Homes in Willow Lane include exteriors of care-free brick and maintenance-free siding; spacious dining areas; large pantry; family kitchen with eating space; oak floors; basement; optional finished family room and attached garage; paved concrete driveway and all improvements in and paid by the builder. Willow Lane is close to both public and parochial schools, and residents can walk to shopping or Rock Island commuter trains. Recreation includes movies, swimming, golf, fishing or picnicking nearby. Also close to the west leg of the Dan Ryan, I-57 and I-80.

To reach Willow Lane, take any major route to Harlem Ave. (Rte. 43) then south to 167th St. and west one-half mile to models, or take Dan Ryan west leg south to I-57 to 159th St. Exit, then west to Harlem Ave. and continue to 167th St. and west to Willow Lane. Furnished models at Willow Lane and all subdivisions open 7 days 12 noon to 6 P.M.

Bel Aire Bi-Levels On Display

The "Byington," a spacious bi-level, is the newest model now being offered at Bel Aire, the south suburban subdivision of National Homes Construction Corporation.

A dramatic, bi-level foyer leads from the double-door, center entry up to the living room or down to the lower level of this family-sized home. The upper level includes a spacious living room; three large bedrooms; handsome kitchen with dining area and Mediterranean-style cabinets; and a glamour bath with Mediterranean-style vanity. The lower level includes a finished family room; half bath; utility room with space for washer and dryer; and an enormous two-car garage.

Like all homes in Bel Aire, the Byington is set on a country-size, landscaped lot. The home also features Seal Tab "windproof" shingles, maintenance-free aluminum siding and full insulation.

Inside, many well-thought-out extras make the Byington supremely special. There's a breakfast area in the kitchen for family dining. Each bedroom boasts a folding-door closet; there's also a good-sized linen closet and a guest closet.

To reach the development, take the Calumet Expressway south to Route 30, turn East to Torrence Avenue, then south a few blocks to 223rd Street. Models are open daily 10 a.m. to 7 p.m., Saturday, 1 p.m. to 5 p.m. and Sunday, 1 p.m. to 7 p.m.

What a wonderful place for a nice apartment!

You've owned a home. You know what advantages and disadvantages it had...and, you wonder who someone, some builder or developer doesn't come up with some of those advantages in an apartment! Like building an apartment complex somewhere out where a person can get the feeling of "outdoors" and spaciousness, where a man can roam with his thoughts in the woods and still be on his own property!

There is such a place. It's new, not too well known...AND BEAUTIFUL! Perfect for the couple who really understands what a home means...and prefer an apartment, at this time in life.

Model open daily and Sundays 12 until 6 p.m. Behind Tirbel's Business Plaza. 219-838-5820 and 219-322-4142.

NOTICE TO READERS AND ADVERTISERS

THE FEDERAL Civil Rights Act of 1964 prohibits employers with 25 or more employees from discrimination in employment because of sex unless such discrimination is based on a bona fide occupational qualification for a particular position. The placement of an advertisement by such an employer or by an employment agency under any of the SUN JOURNALS traditional help wanted headings must not in itself be considered as an expression of a preference, limitation, specification or discrimination based on sex. These headings are a convenience to our readers to let them know which positions would ordinarily be of more interest to one sex than the other because of the work involved. Employers covered by the Civil Rights Act will interview and consider any qualified applicant of either sex for a position offered unless there exists a bona fide occupational qualification for that position.

NOTICE OF ANNUAL MEETING

NOTICE OF ANNUAL MEETING

SUN JOURNAL BUSINESS DIRECTORY

THEY DO IT!

A service for our advertisers and readers - a chance to know more about

OAK GLEN SPEED WASH located at 18050 Torrence Avenue, Lansing, Illinois with its sparkling clean atmosphere invites you to come in and take advantage of its washing, drying, and dry-cleaning facilities. Here you'll find the "BIG BOYS" for large rugs and big family washings, blankets, and other articles too large for the regular washers. Attendants are available to help you with the dry cleaning or laundry machines from 8 a.m. to 10 p.m. Sundays from 12 noon 'till 6 p.m. Evelyn Mason the owner invites you to come in, have a cup of coffee and get the washings and dry-cleaning chores accomplished in a hurry. We're always happy to be of assistance. PHONE 474-7420.

Have two doors kept you out of a Volkswagen?

Don't answer yet.
The car in the picture is a Volkswagen.
And, as you can see, it has four doors.
It's our new 411 4-Door sedan.
Like most 4-door sedans, our 411 gives the people in the back almost as much room as the people in the front.
Unlike most 4-door sedans, though, there's also room for luggage in the front as well as in back.
Like most 4-door sedans, our 411 has an engine.
Unlike most 4-door sedans, our engine gets about 22 miles to the gallon.
Like most 4-door sedans, our 411 offers a lot of options. Automatic transmission, radial tires, rear-window defogger, to name a few.
Unlike most 4-door sedans, those options are included in the price of the car.
Now you can answer if you like:
( ) Yes. ( ) No.

Moody Bible Glee Club Will Do Music Concert At Lansing Church

The men's glee club of Moody Bible institute, Chicago, will present a music concert Sunday Jan. 30 at 7 p.m. at First Baptist Church, 3440 178th Street, Lansing, Ill.

The glee club, under the direction of Vann Trapp, is comprised of 35 men studying to become pastors, missionaries, Christian education directors and church musicians.

This male choir has traveled across the United States and parts of Canada. Its repertoire consists of traditional church hymns and gospel song arrangements as well as contemporary anthems. Also featured in their program are an instrumental ensemble and informal talks by members of the glee club.

Trapp, a member of the faculty and voice teacher in the Moody Bible Institute's sacred music department, has done extensive solo work in the Chicago area, as well as directing church choirs.

In 1963 his first LP album was released by Super Recording, Glen Ellyn, Ill.

He is featured soloist on Dr. J. Allen Blair's "Glad Tidings" national religious radio broadcast. Trapp is a graduate of Moody Bible institute and Wheaton college, and holds a musical degree from Chicago Musical College of Roosevelt university.

The public is cordially invited to attend this concert. There will be no admission charge; a freewill offering will be received

Vann Trapp...Glee Club Director

Missionary Will Tell Of African Experiences

The Rev. Earl Camp will tell of his experiences while working with Congolese in Central Africa at the First Baptist Church of Lansing. The date is Jan. 16 at 10:45 and 7 p.m.

Camp, a missionary with the Conservative Baptist Foreign Mission Society, Wheaton, Ill., worked in Singa, Congo, a station composed of a church, primary and secondary schools, a dispensary and 10 outlying churches.

According to Camp, the Congolese are eager to read and learn about the Bible. He reports some Africans walked four to five hours to school.

In addition, Camp trained church leaders, supervised construction work at Singa and distributed literature.

He is the son of missionaries to the Congo and received his high school education in that country.

He graduated from Philadelphia School of the Bible, Philadelphia, Pa.

St. Andrew's Cagers Make Chicago Scene

As the result of the Our Lady of Grace 8th grade basketball team winning the Diocesan Holiday Tournament at Holy Angels, Gary, they will meet St. Andrew's of Calumet City at the Chicago Stadium.

Date for the game is Saturday, Jan. 22 at 6 p.m., preceding the Chicago Bulls-Houston Rockets game.

Tickets for the twin bill are available at St. Andrew's at $3 per student and $3.50 for adults. This includes admission and transportation.

St. John Lutheran Youth "Think Snow"

Members of St. John Lutheran Youth League has been "thinking snow" for a tentative tobagganing outing tomorrow at 2 p.m. In case of a "dry" run the party will be rescheduled and leaguers will meet at 2 p.m. to go bowling.

The league recently elected new officers, naming John Moreland as president. Others elected were Barbara McLean, vice president; Gail Davis, secretary and Joyce Lessner, treasurer.

A bake sale is being planned for sometime in February with the date still undecided.

In response to several inquiries, the church at some time in late January or early February will make a memorial list of items for the new church front. This list will go to all families and the items can be subscribed to as gifts or memorials.

The Jan. 13 Voter Assembly meeting has been moved to Jan. 20. Officers will review their responsibilities on Sunday, Jan. 30. Pastor Wessler was granted permission to enter into a pulpit exchange arrangement during Lent.

It has been anouned a dedicatory service is planned when new church construction is complete. Arrangements have been made for placing a temporary organ in the Nave of the church during the time when the balcony is blocked off during construction.

Christian Scientists Extend Welcome

How is life actually sustained? This is a question to be examined at Christian Science church services tomorrow.

Services at the church, 7125 Hohman Ave., Hammond, begin at 11 a.m., open to the public. They are conducted by Richard Wind, first reader, and Miss Eleanor Sulcer, second reader.

Jewish Sisterhood Sets Board Meeting

The National Women's League of the United Synagogues of America, Central Branch, will have an open board meeting Thursday, Jan. 20 at Main Township Jewish Congregation, Des Plains, Ill.

An invitation is extended to all sisterhood members. Beginning at 10 a.m. until 2:30 p.m., Jay Karzen will speak on "Judaism and the Sensuous Woman, A Look into the Jewish Housewife."

January is sisterhood month and Rabbi Julius Shuback of Beth Sholem Congregation, 4508 Baring Ave., East Chicago, will conduct Friday night services Jan. 21 at 8 p.m. with members of the sisterhood participating.

Mrs. Jay Roth of Munster will be hostess for a board meeting Jan. 25 at 8 p.m.

Mrs. Emanuel Lang, East Chicago, program chairman, has scheduled a speaker who will discuss Social Security in today's world for a regular sisterhood meeting Monday, Feb. 7 at 8:15 p.m. in the synagogue social hall.

Calendars have been distributed by Mrs. Irving Schoenberg of Munster, chairman. She asks that all calendar ad monies be turned in at this meeting.

Baptists List Dates For Summer Camping

First Baptist Church of Lansing is now thinking about summer activity and reminding members that now is a a good time to begin planning on attending a Christian camp.

On family camping, there will be a Family Week at Camp Assurance in Georgetown, Ill, about 120 miles out of Lansing, July 3-8.

Last year the cost was $30 per couple plus $4 per week for children under 12 years of age and $7.50 for all children 12 and over.

It means that a family of five with all children 12 years and over could have a whole week of camping, meals, swimming, sports and other fun for under $50.

Probable dates for other camp weeks are Junior Boys, July 10-15; Junior Girls, July 17-22; Junior High Week, July 24-29 and Senior High Week, July 31-Aug. 5. Costs for these weeks will be $22.50 per week.

Nazarene Fellowship

Lansing First Church of the Nazarene, 2158 175th St., conducted a "Men's Prayer Fellowship" this morning at 8 o'clock. Following prayer at the church, the men went out together for breakfast.

Noted Author At Concordia

Dr. Lola May, noted author, lecturer and consultant on the teaching of mathematics to young children will speak on the topic "Creating Action in the Classroom" Thursday, Jan. 20 at 8 p.m. in Geiseman Memorial Gymnasium at Concordia Teachers College.

There is no admission charge and the public is cordially invited to attend. The address is 7400 Augusta St., River Forest, Ill.

Seminar Series To Start Tuesday In Tinley Park

A series of Tuesday evening seminars on "The Search For Being" will begin at 7:30 p.m., Jan. 18 at Zion Lutheran Church, 171st and 69th, Tinley Park.

The complete course consists of 12, two hour seminars designed for people who desire to obtain more meaningful inter-personal relationships. Participants will use personal resources to attain self-fulfillment and joy. Verbal and non-verbal experiences will be included as members are helped to explore moods, increased awareness of self and others, fantasy, and sense awareness. This exploration will reveal new patterns for relating to others.

The course will be directed by staff members of "Quest Unlimited", a non-profit educational corporation devoted to the development of human potential. Ross Mendonsa will serve as facilitator. He holds degrees from De Paul University, George Washington University, and the University of Southern Mississippi. He has taught human relations and related psychology courses for seven years.

The fee for the course is $25. To register or to obtain further information, call 532-1600.

Lansing Methodist Youth Discuss Retreat

Plans for coming programs and activities were outlined Jan. 9 when First Methodist Church of Lansing Junior High UMYF met. They scheduled other fellowship meetings Jan. 16 and Jan. 30.

With a desire to include all senior high UMYF members the group is planning an open meeting the third Sunday of each month at 8 p.m in the 7th grade room.

Members also discussed a retreat scheduled Jan. 21-23 at Camp Sugustana, Lake Geneva, Wisc. Total cost will be $18 and will include cafeteria meals, transportation, camp facilities and counselors.

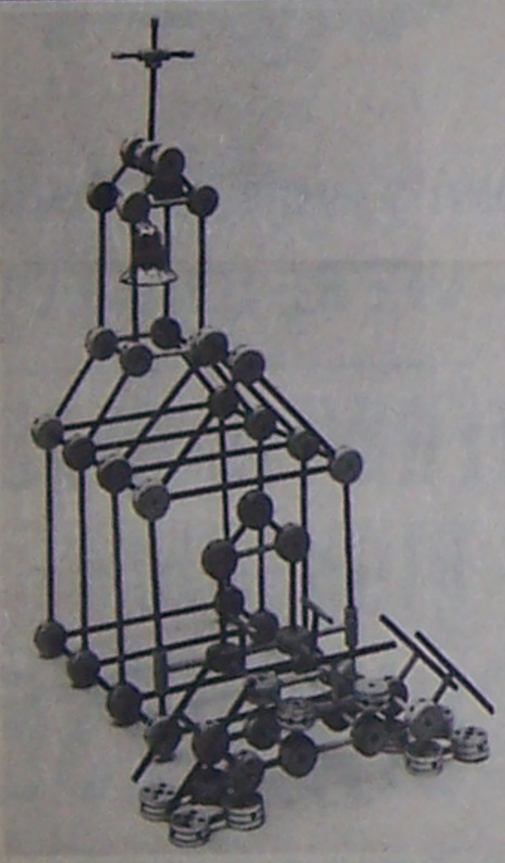
Skating and sledding will be available (weather permitting) bring equipment (space permitting).

Theme this year will be "Who Is This Man?" a look at the life of Christ from the Gospel of Mark. Parents will be asked to drive in some cases.

Trinity PTL To Convene

Trinity PTL of Lansing, will have a meeting Jan. 20 at 8 p.m. in the school gym. Pastor Frederick will present the topic, "The Missouri Synod." The public is invited.

TINKER TOY CHURCH



And it has a silver bell on the steeple and a cross on top. No one suggested to Bobby that he use his birthday toy this way. He did it himself.

He could have made a ferris wheel, or a barn, or a wagon. But, as it happens, he made a church. Maybe it is because, since he was a tot, the Church has been so important in his life.

To Bobby the Church represents a warmth and love that made him want to "build one of his own."

Does your child feel that way?
