Plan Post To Confront Board

Petitions, Builders Also On Tonight's Trustee Docket

By BONNIE MANNARELLI
(Of the Sun-Journal Staff)

Planners, plans and petitions are expected once again, to confront the Village Board tonight when it meets at 8 p.m. in the Village Hall.

Still vacant are three of the seven Plan Commission posts with a regular meeting of the planners less than a week away. At the Feb. 22 trustee meeting, the board asked to see applications of the candidates. Appointments are anticipated again tonight.

Unfinished business on the board agenda for the first regular meeting in March will be preliminary approval of both Oakwood Estates Unit 10 and the Second Addition To Pasquinelli's Lansing Green along with final approval of Dykstra's Fernwood East Estates and preliminary approval of Wentworth Meadows. To date, the engineer's report on the Dykstra plan and Wentworth Meadows plat have not been received.

Also scheduled to come up before the board is further discussion on the petitions requesting a referendum for land acquisition by the Old Timer's. At the last meeting, the board voted to deny the referendum.

Finance Committee Chairman Trustee Robert Knoerzer will present the first reading of Appropriation Ordinance 259, Waterworks and Sewage Fund, 1972.

A progress report on the heating and air condition system at the Police Department is expected from the building and grounds committee by its chairman, trustee Donald De Vries.

Knoerzer, also heading the health and welfare committee, will read a request for permission to hold the March of Dimes second annual walkathon on May 7. A proclamation making March 12-18 Girl Scout week in Lansing will also be presented.

Pertaining to building code violations, Edward Dabrowski has requested to be on the agenda.

Prior to the board meeting, the Board of Local Improvements will meet. Bids will be opened concerning installation of a 23-foot roadway with 18-inch curb and gutter on both sides of Ridgewood Avenue along 170 and 171 streets. Bids on special assessment 72 will also be reviewed.

Issue 17 Permits

Edward D. Carlson, Lansing building commissioner, reported that 17 permits were granted during the month of February valued at $226,000.

Issued were: 8 single dwellings, $138,000; 1 manufacturing warehouse, $25,000; 1 apartment (6 units), $54,000; 1 room addition, $6,000; 1 residential garage, $2,000; 1 sign, no value; and 3 remodels, no value.

Cite 3 Local Volunteers

Three Lansing women were recently honored by the Mental Health Association of Greater Chicago for their long-term volunteer service at a special recognition ceremony Saturday.

Cited for their participation in the Bell Ringer campaign: were Mrs. Russell Olson, 5 years, 17832 Oakwood Ave.; Mrs. John Lagestee, 7 years, 18506 Glen Oak Ave.; and Mrs. Hubert Postma, 7 years, 3674 Madison St.

The program was held in the Wedgewood Room of Marshall Field and Company's downtown store.

Bell Ringers call on their friends and neighbors in May, National Mental Health Month, to distribute literature on mental health and mental illness and to pick up contributions which support the Association's activities. Bell Ringers play a vital role as grass roots representatives alerting neighbors to the problems of mental illness, providing information on services available for the mentally ill, and rallying support for Association programs.

Empty drums, a collapsed fireworks display, some twisted metal and lots of empty space was all that was left of a hugh fireworks manufacturing plant in Orland Park. The series of blasts which leveled the plant, smashed windows in the area and set haystacks afire on farms nearby were felt in the Calumet City, Lansing area 25 miles away. Close Cal City Bar For 'Minor' Violation

Acting Mayor Herbert Breclaw signed an order yesterday suspending the license of Ziggie Beckman, Jr., owner of Ziggie's Tavern, 541-156th St., Calumet City.

The tavern will remain closed for seven days beginning with yesterday. The suspension followed the hearing of testimony of police officers at a liquor commission hearing on Feb. 23, at which time they described circumstances under which they found minors in the tavern.

On three separate occasions in late January police officers found minors on the premises and witnessed minors being sold alcoholic beverages. Two bartenders employed by Beckman were arrested on charges of serving and selling liquor to minors.

Arthur Templin, bartender, claimed that this was the first time he sold beer to a minor.

"You have been in business in this town for sometime and you know what the laws are as far as minors in a tavern are concerned," said Acting Mayor Breclaw, at the conclusion of the hearing.

Referring to the bartenders who committed the violation of allowing minors in the tavern and selling liquor to them, Breclaw said to Beckman, "You hire these people to run your business, therefore, you should have more control and not let them run it into the ground. Once a tavern gets a name, all the youngsters know where you are and try to get away with something. We don't want this. This will not be permitted."

He told Beckman to screen his personnel.

The first incident involving teenagers occurred on Jan. 22, when Calumet City police were summoned to Ingalls Memorial Hospital that a youth had been brought in with injuries sustained in a beating in the Calumet City tavern.

Det. Sgt. Anthony Lucito investigated the incident. He took testimony of the injured party, Nicholas Sereno and two other youths.

Beckman was questioned as to why he failed to report to police that a fight occurred in his tavern. He answered that his son tried to call police. Beckman closed his tavern that night following the fight in which "eight guys" took part. Sereno was struck in the head with a beer bottle.

On Jan. 29 Patrolman Terry Nagl making a check of the area saw a youth purchase four quarts of beer and take them to a waiting auto occupied by five or six other underage boys and girls.

In addition to arrests of those in the auto, Nagl also arrested three youths playing pool in the bar. Alcoholic beverages were noticed on the pool table.

Nagl also testified that he went upstairs to Beckman's living quarters to ask him to come to the police station on the matter. Beckman failed to show up at the station although he was noticed sitting in a parked car close by.

On Jan. 31, Patrolman Nagl on routine patrol again noticed an underage youth coming out of the tavern and a check of the inside revealed another underage youth inside. Both underage patrons and the bartender were arrested.

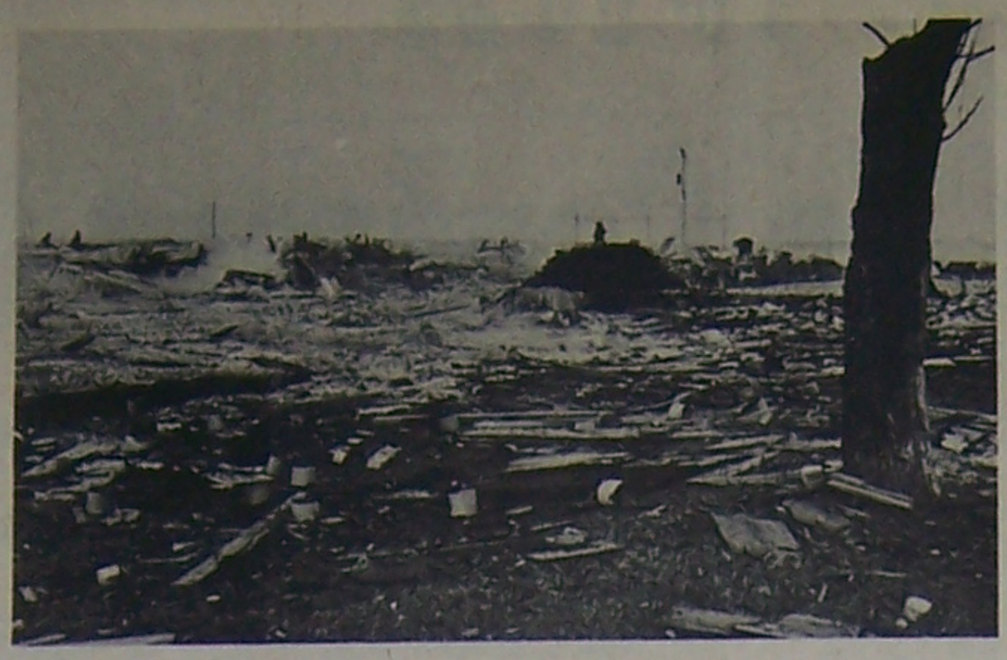
Only Scorched Earth, Twisted Rubble Remains



Firemen and rescue workers search the rubble for dead and injured in yesterday's fireworks firm explosion. A stack of mortars remains virtually intact as though waiting to be loaded with loaded rockets for the next display. Scorched tree trunk at right testifies to the intensity of the blast.

While bricks (foreground) were blasted from their cement home, what appears to be a prepared fireworks display survived the explosions and fire. Haystacks about a mile from the scene were ignited while windows as far as Gary, Ind., were reported shattered.

Fire scorched nearby autos while twisting and tearing their metal frames. One of the first Orland Park Police squad cars (just right of center) was burned and mangled by one of the later blasts. The unidentified police officer in the squad suffered a leg injury and was rushed to one of the five nearby hospitals ready to admit patients while on a "disaster" alert.

Windows were shattered and metal ripped from these automobiles parked near the Melrose Fireworks Display Co. during Monday's blasts. The explosions not only tore the vehicles apart but also dragged them varying distances. A fireman inspects the damage as he walks among the rubble.

Auto debris and splintered wood littered a nearby cornfield as the result early afternoon series of explosions in an Orland Park fireworks plant. Only smoke remains (background) in the area that once housed the Melrose Fireworks Display Co.

Medicare Paid 10% Of Health Bill

Government health insurance for people 65 and over — Medicare — paid about 10 percent of the Nation's $75-billion health bill last year, according to William Rednour, social security district manager in Hammond.

"The two parts of the Medicare program paid almost $7-1/2 billion in benefits in fiscal 1971," Rednour said. "Hospital insurance paid $5.4 billion on behalf of 4-1/2 million people. Medical insurance paid $2 billion on behalf of 9-1/2 million people."

"About 20 million people — almost everyone 65 or over — are protected by Medicare," Rednour said.

The hospital insurance part of Medicare helps pay for hospital bills and certain post-hospital care for people 65 and over and is funded by social security contributions. The medical insurance is voluntary. It is funded by individual premiums paid by those people who enroll, and the premiums are matched by the Federal Government.

Medicare is administered by the Social Security Administration of the U.S. Department of Health, Education, and Welfare.

Falcons Favored At Bloom

Have Already Handled Thornton, Bloom, and Ignatius

By RANDY HELLMANN
(Of the Sun-Journal Staff)

It will be showdown at Dry Gulch for the first time in history when the Thornridge Falcons and Thornton Wildcats both sporting regional tournament crowns, have the possibility of meeting in the finals of the Bloom Sectional tournament in Chicago Hts. this coming Friday night.

Barring defeat by either squad earlier this week, the two perennial foes, will meet to decide who will capture the sectional (instead of the usual regional) and gain a trip to the supersectionals in Crete-Monee.

To get to the finals, however, is one game away for both the Wildcats and the top rated Falcons.

Thornridge kicks off the IHSA Class AA sectional meeting Bloom at 7:30 p.m. tonight. While Thornton's first jump will have to be over St. Ignatius when they tangle at the same time as Thornridge a night later.

Of course, Thornridge is favored to walk away with the sectional trophy. The Falcons have already played five games against the three other teams vying for the sectional crown, and averaged close to a 29 point winning margin over the opposition.

Included in the Falcons 27 consecutive wins this season are two victories over Bloom, 99-65 and 90-62, two wins over Thornton, 71-54 and 73-52, and one win over St. Ignatius, 90-52.

Looking at the statistics, it appears as if the Falcons, who have now won 48 consecutive games, will have little trouble with any of their sectional foes. Thornton thinks different.

Years before the big bad birds from Dolton ever came into existence, the Wildcats were walking around on a familiar cloud. Every year they, like the Falcons, were the team to beat to get to the Sweet Sixteen.

Although they are certainly heavy underdogs in the rival match which may occur Friday, Thornton has tradition and pride, and probably will be the closest team to challenge Thornridge all the way to the end.

Coach Ron Ferguson's Falcon line-up at Bloom will remain the same. Quinn Buckner and Mike Bonczyk will be in the backcourt with Boyd Batts, Greg Rose, and Ernie Dunn bringing up the front.

Each one of the five with the exception of Dunn was starters when the Falcons eked by Oak Lawn 52-50 for the title last year.

Bloom, the Falcons first sectional foe, in the last four seasons has won over 20 games annually, but have failed to capture a sectional. This season, the Trojans flaunt an impressive 20-7 record, with a pair of defeats coming at the hands of both the Falcons and the Wildcats.

Unlike tourney favorite Thornridge, Thornton's Wildcats have never faced St. Ignatius, which they will meet Wednesday night. Although both teams have won 19 games this season, the Wolves have dropped two more than the Wildcats, losing 8.

The Wolves will rely heavily on the tall talent of 6-7 Lloyd Winston and 6-5 Dwight Witson. The Wildcats will rely on their two hot shots, Carl Richardson, and all stater Otis Dunn. Hotshot Andre Scurlock, who has been pulling minor miracles all season, will also be counted on to get the Wildcats into the finale against the Falcons. Dunn has a badly sprained right ankle which might hamper the Wildcats under the boards. Wildcat coach Tom Hanrahan is hoping that the outside shooting of Richardson and Surlock can compensate for the ineffectiveness under the boards with Dunn hurt.

At Joliet Central another sectional is brewing and the winner of that one will have the misfortune of likely meeting with the Falcons at Crete-Monee in the super sectional.

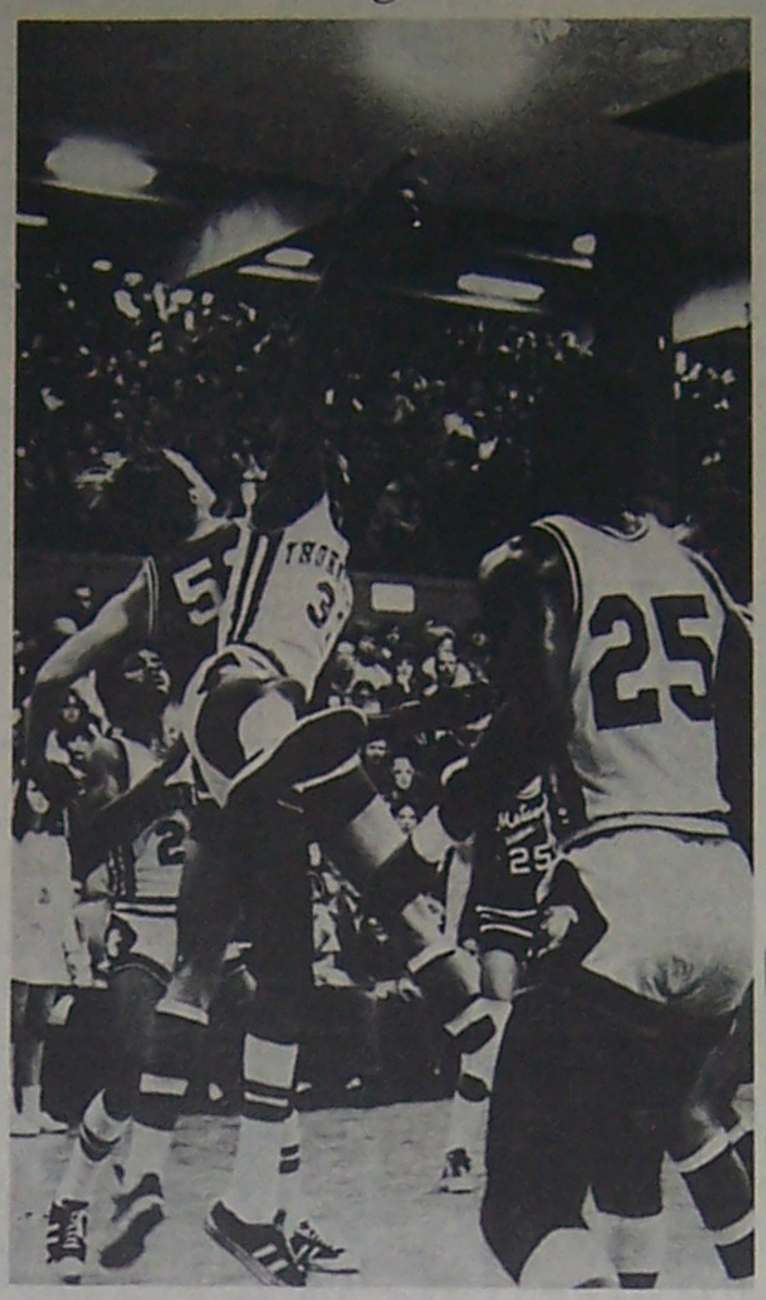
Tonight Lockport, 21-3 for the season, will tangle with last year's state runner-up Oak Lawn. Lockport will definitely have the advantage over Oak Lawn, 16-10 who suffered tremendously via graduation. Experts are picking Lockport by 20, but Oak Lawn wasn't expected to get out of the sectional last season and almost walked away with the state title.

Wednesday night, Joliet Central, 22-5 for the year, will tangle with an improved 14-9 Homewood Flossmoor quintet. Joliet Central is obviously too fast and too talented for the Vikings from H-F.

Friday night's championship tilt will in all probabilities find Joliet Central against Lockport. These two teams have tangled twice this season and both have managed victories on the other team's home court. This game will be up for grabs with Lockport having a slight edge in the height category and Joliet making up for it in speed.

The winner will then get the right to tangle with the top rated Falcons next week at Crete Monee. The winner of this Supersectional match will get the train ticket to Champaign to be a member of the specialized Sweet Sixteen.

With three defenders around him, Mr. Everything, Quinn Buckner still manages to get the basketball in the hoop. Quinn tallied 32 points in Thornridge's 101-68 rout of T.F. North. The Falcons open Sectional play at Bloom tonight against the host squad. Game time is 7:30 p.m. (SUN Photo)



Boyd Batts, lives up to his name as he bats a rebound away from Thornton Fractional North's Con Zelencik in regional championship tilt last Friday night. Batts led the Falcons with 33 points as Thornridge handled North 101-68 for the regional crown and a visit to the Bloom sectional tonight. (SUN Photo Larry Clarino)

Reavis Wins Lan-Oak Basketball Tourney

From the "Dorr-Mat" in the 1970-71 Season to League Champs in the 1971-72, was the basketball story for the boys of Reavis School. Under the splendid coaching of Don Kuehner, and his three student instructors (Polus, Schauer and Vignone) the Reavis "Red Birds" swept over the leagues "Hard-Boards" with a spectacular 16 - 0 undefeated record in the Boys Senior Division.

The success of the basketball team did not come easy. Starting early in November, some 75 boys (ages 8 to 13) reported for practice sessions. After five weeks of fundamentals and scrimmage games, those who reported for the majority of the sessions were placed on teams via age brackets. The hard work and patience paid dividends which resulted in a very successful season.

The undefeated Senior Team was led by the rebounding of Eric Kaiser and Steve Mares. Top scorers of the squad were Harold Campbell, Gerry Pals and Mike Kowal. The balance of alternating the players came from squad members, Rick Deiter, Jamey Maschmeyer, "Bill" Yount, Mark Lamo, Jim Buici, Paul Minskey, Ricky Garcia, Brian Lease, Michael Bolton and Norris Story.

All of the 15 boys played and gained considerable amounts of experience, as in many of the games the starters built up quick leads. Top scorers were Harold Campbell and Gerry Pals who had high games of 18 and 20 points respectively. They also scored in double figures throughout the season.

The Memorial Junior High team gave the "Champs" the biggest scare during the last weeks of the season by aiming for upsets. In two close games, the Reavis squad won by scores of 50 to 46 and 46 to 36.

The Reavis "A" Team were Co-Champions in their Division with a 10-2 overall record. Although facing taller teams in most games, their quick and aggressive play proved to be the deciding factor. The seven team league was very well balanced, with scores being very close in most games.

Tops in scoring honors went to Mark Takish and Tim Bancsi. They got a great deal of help from Tim Kowal, Steve Kuehner, Gary Gordon, Eric Kaiser, Tom Heimbeck, Franz Druzworth, Tony Ciardetti, Bob Morrie, Kerry Shaw, Jim Wells, Rickey Okray and Barry Cooper. Most of the "A" team members will be back again next season.

The third team representing Reavis School was compromised of "Mighty Mites" age 8 and 9 years old. They competed in the 6 Team "B" League. This was primarily a recreation type league, for most of these boys were playing basketball for the first time.

The opening games found competition so keen that on occasions players forgot all about dribbling and found it easier to run with the ball. However, as the season progressed players became more relaxed and there was a great deal of improvement. The Reavis boys had some very close games and won by "Fantastic" scores of 11 to 9, 8 to 6 and 13 to 10.

The Lan-Oak Park District Boys Basketball Programs had over 650 boys participate during the 1971-72 Season. Its success can best be summed up by the comment made by one of the players when the program ended at the end of February: "Gee, Coach, can't we play any more games next week?"

NOTICE TO READERS AND ADVERTISERS

THE FEDERAL Civil Rights Act of 1964 prohibits employers with 25 or more employees from discrimination in employment because of sex unless such discrimination is based on a bona fide occupational qualification for a particular position. The placement of an advertisement by such an employer or by an employment agency under any of the SUN JOURNALS traditional help wanted headings must not in itself be considered as an expression of a preference, limitation, specification or discrimination based on sex. These headings are a convenience to our readers to let them know which positions would ordinarily be of more interest to one sex than the other because of the work involved. Employers covered by the Civil Rights Act will interview and consider any qualified applicant of either sex for a position offered unless there exists a bona fide occupational qualification for that position.

Celebrate Fete Basque

Thornwood French students, under the direction of Mrs. Gloria Hannas of Thornwood's foreign language department, celebrated a Fete Basque recently. This Christmas luncheon featured regional dishes from the Basque region in southern France.

The luncheon was part of a study French III and IV students had been making of the Basque people—their language, mysterious origins, customs, music, legends and their place in French history.

Faculty members invited to the Fete Basque included Dr. Robert Mitchell, principal; Fred Blakeney, assistant principal; Richard Canonigo, foreign language department chairman; Mrs. Dorothy Shephard, head librarian; Clarence Framstad, librarian and Miss Vera Krawczuk, foreign language teacher.

Honored guests from the community included Mrs. Roy Neath, formerly from Paris, and her daughter Miss Jacqueline Neath, a substitute teacher in District 205. Both now reside in Riverdale. Mrs. Neath is also a tutor in the district.

On another occasion Mrs. Juan Luis Colleros, formerly from Lyon, France and Algeria, spoke to Mrs. Hannas's French III and IV students about life in Algeria during World War II.

Miss Claude Descouens of St. Girandi, France also visited and assisted French classes in December. Miss Descouens, the Amity student at Thornridge, is living with Miss Krawczuk.

French I and II students assisting with the luncheon were Gerald Anderson, Theresa David, Jay Guisti, Shalley Wakeman, Elaine Fukuda, Yvonne Hastings and Margaret Fasiang.
