What's a nice trophy doing in a place like this? Neither the fire nor police departments seem to know. (SUN Photo)

A Departmental 'Catas-Trophy'

Who took the trophy? That's the major question befuddling members of the Lansing Police Department these days. They have a pretty good idea who swiped their precious memento, but first let's give a little background on the bizarre occurrence.

For the past several years, members of the police and fire departments here in town have been getting together for their annual softball game. It is a game of pride and determination for both squads, a rivalry the police department has dominated for the most part.

When the game ends each year, the winning team is presented a travelling trophy, which is currently the topic of all the controversy. Not too long ago, the two teams met for this year's battle with the men in blue coming out of the tilt victorious. As a reward for winning the game, they got the trophy. At least they HAD the trophy.

Last Tuesday, the trophy disappeared. A member of the Lansing police force told the SUN-JOURNAL that the trophy had been left unattended in chief John Braschler's office, "for no more than five minutes." When one of the officers went to retrieve the loving cup prize he realized it had been swiped.

No one could figure out what happened to the policemen's prize until someone spotted the trophy shining brightly approximately 65 feet up in the air strapped to the Lansing water tower. Then the accusations began to fly.

A spokesman from the police department stated he felt the fire department had to be the trophy thief, saying, "The only way they could ever get it is to steal it" adding "they would never get it playing baseball."

Chief Ralph Schauer of the fire department backed up his Big Red Machine stating, "I think the police department took it themselves and put it up on the tower in an attempt to embarrass us." Schauer assured his statement adding, "If members of our department had taken the trophy, the first thing we would have done is to have painted it red" "They are just trying to put the blame on us to embarrass us."

No one is quite sure who is to blame, but one thing is certain, the little blue trophy is still atop the water tower looking down on all of Lansing. The next problem, as one policeman put it, "How do we get it down?"

"We can get two sets of torches and cut the tower down," one policeman offered for a suggestion. Everyone looked at him not really sure if he was only jesting. "Maybe we could shoot it down" another man in blue kiddingly remarked.

At any rate, when September 11 rolls around, if the trophy is still perched upon the tower, Lansing residents will be in for a real evening of entertainment. That is the night when the two squads are scheduled to compete in another baseball game. In this one, the proceeds will go to the Lansing School of Special Education.

The game is scheduled to start around 6:30 at Schultz Park, and should be an action packed battle, especially if the police department hasn't got their trophy back by then.

As one Lansing cop put it, "If that trophy isn't back to us---we will retaliate." The threat didn't bring any worries from the fire department which still maintains that it had nothing to do with the entire incident.

There is one problem though. The fire department has a ladder big enough to get the trophy down if they want it. Guess who doesn't?

Village Board Gets 'Back To Work'

Heavy Agenda Awaits Trustees At Tonight's Meeting

By RANDY HELLMAN

(Of the Sun-Journal Staff)

The feeling of "the vacation is now over" will no doubt creep into several systems as the Lansing Village Board gets back into action with their regularly scheduled meeting this evening.

A big agenda awaits trustees who must be itching to get back to business after a somewhat lenient summer schedule.

Under committee reports, Robert Knoezer in his Finance presentation is scheduled to list bills for payment in addition to the treasurer's report up to July 31 in addition to the treasurer's annual report for the fiscal year 1971-72.

No items are listed on the agenda for Building and Grounds, Ordinance, Health and Welfare or Police and Fire, but Trustee Gerald Scherer has a number of items to present under his Street and Alley committee report.

Bids are to be accepted at tonight's meeting for a new car for the Superintendent of Public Works. Scherer made the suggestion at last month's meeting stating that the Superintendent's current car is rusty and at a point where it may not be of much more service. The board voted at that time to solicit for bids.

In other Street and Alley business, the matter of accepting the sanitary sewer located on 173rd St. running from Arcadia, and acceptance of a sanitary sewer and lift station located on Arcadia Ave. from Bernice Rd. to 172nd St.

Scherer will also report on improving the Village of Lansing's sewage treatment plant versus annexing to the Metropolitan Sanitary District. Scherer, an ardent supporter of the MSD will no doubt once again try to successfully convince his fellow trustees of the conveniences of the link-up. Once before he successfully accomplished that, but Norman Cox, a Lansing citizen, appeared before the board stating he had new information about the tie-in and was heard at a special meeting Wednesday night.

Also listed to be acted upon at this evening's meeting is a resolution providing for the retirement of certain municipal indebtedness by the use of motor fuel tax section 34 CS.

Zoning correspondence scheduled for presentation includes a variation to reduce a rear yard at 18555 Bock; a rezoning from B-3 to M-1 limited zoning at Frontage Road; Herbert Lesser's request to rezone to permit land fill; and a correspondence from attorneys representing Willowbrook Pasquinelli Construction Co. regarding a land fill.

Plan Commission correspondence includes final approval for the Wentworth Meadows Subdivision.

Communications scheduled for tonight's meeting include a report from Edmund Burke and Associates regarding Pasquinelli's second addittion to Lansing Green; and a letter from the Lansing Public Library regarding the appointment of David R. Tanis to fill the vacancy on the Library Board of Directors replacing Marie Quinn who has moved from the state.

Also scheduled is the appointment of the Zoning Board of Appeals to replace L. Mynatt and the police and fire civil service commission discussion of the expiration of Menno Botma's term.

Mrs. George Liptack has asked to be placed on the agenda regarding annexation at 178th and Paxton Avenue.

Seal Chairman Named

Mrs. I. L. Walerczyk, 467 Gordon Avenue, has been named the 1972 Christmas Seal chairman for Calumet City, an activity of the Faith Bailey Health Association.

Her appointment was announced this week by Claire V. Hansen, general chairman for the Chicago and Cook County Christmas Seal campaign.

The $1,175,000 campaign, which opens in November and runs through December, is conducted by Chicago Lung Association, formerly The Tuberculosis Institute of Chicago and Cook County.

A part-time tax consultant for H & R Block, Mrs. Walerczyk also finds time to be a secretary for the Thornton Fractional North Booster Club, treasurer of the Women's Auxilliary Troop 255 and an active member of the Woodrow Wilson P.T.A. and the Faith Bailey Health Association.

Mrs. Walerczyk has chosen Mrs. Sherman Moore, 602 Hirsch St., as her co-chairman. Together, they will be responsible for Christmas Seal publicity and activity in Calumet City.

A past volunteer during the Christmas Seal campaign, Mrs. Walerczyk noted that the Lung Association recently changed its name from the TB Institute as a reflection of the Christmas Seal people's increasing concern with the problems of respiratory diseases.

She emphasized that the Lung Association will still carry on its work as Chicagoland's official Christmas Seal agency.

Ninety-one cents of every Christmas Seal dollar will be spent locally to further programs in the fight against air pollution, emphysema, smoking and tuberculosis.

The remaining nine cents is sent to the National Tuberculosis and Respiratory Disease Association for use in nationwide research and education programs.

Plan Paper Drive

The St. Vincent DePaul Society of St. Ann's Church of Lansing will conduct a scrap paper drive on September 29 and 30th. The paper will be accepted from 6:00 p.m. to 8:00 p.m. on Friday, September 29, and from 8:00 a.m. to 6:00 p.m. on Saturday, September 30th, at a trailer stationed on the church parking lot.

Old newspapers, magazines, catalogs and telephone directories only will be accepted. They must be tied in bundles with strong rope or cord, or in cardboard boxes tied with rope or cord.

All citizens of Lansing are invited to participate in this drive. The proceeds will help the society with its charitable projects.

Where's the best place to cool off during a hot Labor Day weekend? Lansingites Judith and Ranae Poortenga and Mary and Timmy Lenting found the cool confines of a water fountain at the Lan-Oak Park a refreshing place to be. (SUN Photo by Larry Clarino)

Four Charged Following Calumet City Drug Bust

Calumet City police interrupted a "pot" packaging operation when they showed up at the apartment of Kenneth Graan, 1955 Wilson Ave., Thursday shortly before midnight.

The contingent of Calumet City police was led by Police Chief Robert W. Rajewski and included Lt. Martin Jaranowski, Lt. James Oglesby, Detective Darrel Anderson, Patrolman Eric Peart, and a Cook County deputy.

Rajewski received a tip that a quantity of marijuana was on its way to the Calumet City address to be packaged and transported elsewhere. All this was to be done within the space of 20 to 30 minutes.

As scheduled the blue Mustang arrived and the two occupants, a man and woman got out and went into the apartment carrying a brown paper bag.

A short time later the police converged on the apartment. The smell of burning marijuana was distinctly evident coming through the air conditioning unit in the living room. Police knocked on the door which was answered by Graan.

In the ashtray a short distance from the door police spotted a quantity of the weed in an ashtray. Graan offered no resistance to the police when they indicated they were going to search the apartment. More narcotic "contraband" was found behind a reclining chair in the living room and in a brown paper bag next to the sofa which was occupied by Richard Graan. The bag contained the crushed green plant in nine plastic bags.

In the master bedroom police found more marijuana, a foil package containing white powder, suspected to be cocaine, and a quantity of amphetamines.

An examination of the vehicle disclosed more marijuana.

Police took Kenneth and Richard Graan into custody. They were charged with possession of marijuana. Also booked and charged with possession of marijuana were Gary Harrop, 1955 Wilson and Helen Ann Soboski, a Chicago resident.

All four were taken before a judge in 6th District Court in Midlothian for preliminary hearing Friday. They were released on $1,500 bond.

TFN Boasts 'Quality' Players

Rugged Meteors Hope To Upset Southeast Suburban Applecart

By TERRY BOERS
(Of the Sun-Journal Staff)

Ron Tomczak, head coach at TFN, is a realist. He knows full well that this year's version, "but," he stated, "this team reminds me a lot of the 70' team and they went on to win the Southeast Suburban title."

Tomczak's offense is buoyed by Connie Zelencik, (a pre-season All American selection in Letterman Magazine), who at 6'4", 215 pounds should provide quite a target for either John Runko, a good passer, or Bill Milan, a top-flight runner.

Hank Schneider, who gained over 700 yards last year, will definitely play halfback. Fullbacks Ron Cap and Chris Hatfield are both good enough so that neither has been able to put the other on the bench.

Another offensive threat is split end John Sheeks. Sheeks played running back in 71', but at 6'3", 197, he should provide TFN quarterbacks with the tallest receiving tandem in the Southeast conference.

Because of TFN's 'mini-roster', several of the Meteors will be forced into double duty, including Zelencik and Sheeks, who will also be the defensive ends. Last year, TFN was the second toughest team against the run (league champ Stagg was first).

Tomczak undoubtedly hopes for a repeat performance, and he just might be able to do it. His other interior linemen are tackle John Bross, 6'1", 225, Kevin Marich, 6'2", 195, Alan Anderson, 6'3", 197 Herb Cavanaugh, 6'1", 200, and Ron Lighty, 6'1", 195.

His linebacking corps of Randy Shelton (center on offense) Hatfield, Walt Lambert, and Mike Pivorinas is adequate, but the secondary positions remain undecided.

The 'master' scheduler didn't give the Meteors any breaks as they must face Marian in their opener on Sept. 16, and then there first two conference games will be with Rich Central and Hillcrest both bonafide title contenders.

Tomczak himself picks his team to finish in fourth place (he really isn't saying too much one way or the other) behind Rich Central, TF South, and Hillcrest. The remainder of his conference choices are Tinley Park, Stagg, Bradley, and Crete-Monee.

There's no doubt that TFN will have their troubles this year, but the question that arises from a fans point of view is when? Tomczak's core of lettermen is just as good, if not better than any team in the league. The only thing that have strong benches and can substitute freely enough to catch the 'two-way' Meteors when they're tired.

Familiar faces in the TFN picture this year will be (kneeling) Chris Hatield, Kevin Marich, Randy Shelton, Ron Cap, and John Sheeks. (standing) Herb Cavanaugh, Ron Lighty, John Bross, and Connie Zelecik. (SUN Photo)

Noll Wins 14-13

Bishop Noll's Warriors took an early 7-0 lead, but had to struggle from behind to defeat Hammond Tech 14-13.

After a scoreless first quarter, the warriors mounted a 50 yard march early in the second period, with Dave Talenco ultimately scoring on a one-yard plunge. Jerry Kray booted the extra point to give Noll their 7-0 advantage.

On the ensuing kickoff, Tech's Gerald Hannon took the ball on his way through the Warriors for a 65 yard touchdown. Halfback Steve Wojciechowski made the conversion to tie the game at 7-7.

With less than 30 seconds remaining in the first half, Tech quarterback Al Pearson hit Wojciechowski with a 26 yard scoring strike. Although nobody probably realized it at the time, the next play was one of the most important in the game. The Tigers elected to go for a two point conversion. Geroge Broderick made the try at running the ball in, but he was stopped short by the Noll defense. At halftime, Tech led 13-7.

The third 12 minutes was scoreless, but Noll finally broke through in the 4th. Al Williams scored on a two yard sweep, and Talenco kicked the point that sealed the fate of Hammond Tech.

Coach Gerry Vlasic was pleased with his teams showing, but, in a true coaches fashion said that his team "needed to brush up on the specialty teams, as well as the passing game."

Thornwood Holds 'Preview'

Thornwood High School will hold its Preview game on Saturday Sept. 9 at 7:30 p.m. Prior to the game, members of the press will be allowed to take pictures from 6 to 6:45.

Parents of the players can take their pictures from 6:45 to 7:20 p.m. (The players will all be in full uniform.) The evenings festivities will start with the introduction of the cross country team. Following this there will be demonstrations by the freshmen and sophomore football teams, and then the varsity will have an intra-squad game.

T.F. South Takes Part In AFS Student Exchange

Six Chicago south suburban high schools will be hosts to international scholarship students of American Field Service from Bolivia, Ecuador, England, Finland, Iceland, Japan, New Zealand, and Norway.

Four of these schools and one other have sent students to Bolivia, Brazil, Finland, Germany, Norway, and Panama.

Schools and their AFS students are:

Bloom—From Norway, INGA GULLHAV;

Evergreen Park—From Japan, KATSOYA KONISHA;

Homewood - Flossmoor — From Bolivia, ROSARIO GONLAZES; from England, VIVIENNE LAVIS; to Brazil, STEPHANIE LEDWELL; to Norway, DON BECI;

Rich East—From Ecuador, CICERON ALTAMIRANO LOOR; from Finland, HANNU OLLIKAINEN; to Germany, ANNE SIMPSON;

Richards—To Finland, JOYCE RENSEMA;

Thornridge—From Iceland, SIGURBJORB HAUKSDOTTIR; to Bolvia, JOHN WEBB; and

Thornton Fractional South—From New Zealand, NINA SAMSON; to Panama, KAREN MORGAN.

American Field Service, non-profit and non-sectarian, through its international scholarship program endeavors to bring about understanding among people of many nations, by providing a new dimension in the living and learning experience of teenage students.

AFS annually brings more than 2,700 students from 63 countries to the United States. Its Americans abroad program sends more than 1,500 teens yearly to 51 countries overseas.

AFS international scholarships through 25 years have given more than 56,000 students, 16 to 18 years old, from 80 countries the opportunity to experience family life in another land.

AFS was founded as a volunteer ambulance service in World War I.

Volunteer Chicago south suburban area representative is Mrs. John Canning of Flossmoor.

Derwinski Co-Sponsors Anti-Skyjacking Bill

In cooperation with 51 other Members, Congressman Ed Derwinski (R-4) has co-sponsered House Bill 16342 which would close all American airports to any foreign airline which operates in any country refusing to prosecute or extradite skyjackers.

"By thus isolating uncooperative countries from international air traffic, this measure would force these noncooperating nations to fully join international efforts to curb rising air piracy," the Congressman explained.

"A major problem contributing to this rising trend of skyjacking is the refusal of certain countries, such as Cuba and Algeria, either to extradite accused skyjackers or to prosecute them in their courts," Derwinski pointed out.

"Even the stiffest penalties under U.S. law are no deterrent to a skyjacker who can count on being safely harbored in such countries," he said.

Derwinski reports that the Airline Pilots Association has strongly endorsed this bill. "It is consistent with and, in fact, will reinforce the Hague and Montreal Conventions on air piracy," he said.

"The bill has been referred to the House Committee on Interstate and Foreign Commerce and the necessary reports are being obtained to set the stage for Congressional hearings," Derwinski said

St. Joseph College Orientation Today

A two-day orientation for new students and parents will be held at Saint Joseph's Calumet College Tuesday and Wednesday, September 5 and 6, in advance of the opening of classes on Sept. 7th.

New students will be greeted at welcoming ceremonies at 9:30 a.m. today at an assembly in Cesare Battisti hall with college administrators and student leaders participating.

The morning program will include orientation instructions by John Jaros, director of admissions; Edward J. Laude, director of counseling; Father Louis Osterhage, dean of students; Miss Jay Gould, registrar; Father Louis Gelhaus, chaplain; Mrs. Penny Donovan, dean of women; and Miss Ruby Powell, president of the student council.

Dean Raymond Krajewski will close out the morning program for freshman students.

Father John M. Lefko, president, will extend the college's official greetings at afternoon orientation activities for transfer students and will also preside at evening orientation for parents.

Parents will also hear from Ruben R. Rodriguez, coordinator of student personnel services, and, Tony Smucki,;sophomore class president, along with college administratios Laude, Miss Gould, Krajewski, and Father Osterhage. Parents' registration will begin at 6:30 p.m. when light refres'ments will be served.

Wednesday's orientation activities will include faculty conferences from 1:30 to 3 p.m. with Father Lefko extending his greetings to the freshman class. Dean Krajewski will introduce faculty members and freshmen will meet with their faculty advisors prior to the evening Mass.

A student union meeting has been scheduled for 8 p.m. with the all-school orientation dance at 8:30 p.m.

An all-school orientation picnic will be held on Sunday, Sept. 17.

In announcing the orientation schedule, Dean Krajewski said late registration will be available to students on Sept. 8, 12, and 13. He noted that many interested students were on vacation or on the job during scheduled registration periods, but will have opportunities to register at the designated times.

Late registration will be from 9 to 11 a.m. Sept. 8, 1to 4 p.m. Sept. 12 and 1 to 2:30 p.m. Sept. 13. Late registration for evening classes only will also be available on Thursday, Sept. 14 from 6 to 8 p.m.

Chosen For Airlift Combat Competition

U.S. Air Force Staff Sergeant Benedict P. Richter Jr., son of Mr. and Mrs. Ben P. Richter Sr., 585 Mackinaw Ave., Calumet City, has been selected to participate in the Military Airlift Command (MAC) Combat Airlift Competition at Travis AFB, Calif., Sept. 2-9.

Sergeant Richter, an aircraft systems technician, is a member of the maintenance team from the 63rd Military Airlift Wing at Norton AFB, Calif. He will help support his unit's C-141 Starlifter transport crew during the weeklong event which will have six active airliftwings and two Air Force Reserve groups competing.

Sergeant Richter, a 1963 graduate of Thornton Fractional North High School, attended Purdue University. His wife, Linda, is the daughter of L. Harrington of 1341 Washington, Crete, Ill.

BENEDICT P. RICHTER

Homestead Closing Officer

Homestead Realty announces the recent promotion of Joanne Koziol as their newest closing officer.

It was only three years ago that Joanne joined the staff in Homestead's Calumet City Office at 1515 Burnham Ave. and placed among the "top ten" in sales the first year. She obtained her broker's license just two years later. When the new Homestead Office opened in Sauk Village in February of this year she was appointed assistant manager.

She resides with her husband, Joseph and their two children in Lansing.

Howlett Promises Car Pool For Licensing Road Test

fleet of autos donated by manufacturers for use Illinoisians taking drivers s will be introduced after November election, if chael J. Howlett, a ocratic candidate, wins bid for Illinois Secretary of te, he promised today.

he vehicles, for use by se who do not own or have ess to automobiles, would institute a "car pool" ilable to individuals from urge at the time they take their road test only, Howlett stated. The innovation is the first of its kind in the nation, he declared.

Howlett, who has earned the recognition of newspapers and civic groups for his record during the past 12 years as State Auditor, also said he intends to reduce the frustration and chaos felt by many drivers license applicants taking their written examination.

He said, "I hope to be able to eliminate the communication gap between the testors and those who have difficulty reading, especially the Spanish-speaking and other foreign-language applicants. I plan to find more explicit wording which can be understood in the simplest form, but will not vary from information studied in the 'Rules of the Road' handbook." The handbook contains all of the information necessary to pass the written examination.

Every day that examinations are given, Howlett pointed out, large numbers of persons who are already skillful drivers – but cannot pass the written, first step toward getting a license – are blocked from getting or maintaining jobs and income through road-related employment.

The autos and improved tests, Howlett said, will serve a three-fold purpose. "First, it would relieve the swelling welfare rolls by providing more drivers licenses to poor and disenfranchised minorities, thus paving the way for them to gain meaningful employment and augmented incomes.

"Secondly," he continued, "it would provide greater dignity and self-respect; and finally, it would reduce unemployment for everyone by eliminating the handicaps to getting drivers licenses for jobs such as cab drivers, transit drivers, parking lot attendants, delivery and truck drivers, and so forth."

Howlett's campaign supporters agree that implementation of ... would make him ... choice to bring respectability and the title "People's Servant" to the office of Secretary of State.

YMCA Offers Fitness And Volleyball Classes For Men

The first seven week session of the men's evening fitness and volleyball class will begin on Thursday evening, September 7, 1972 at the Harvey YMCA. The class starts with an open jogging period from 7:30 to 8:00 p.m. and is followed by a half hour fitness class. This in turn is followed by three options. At 8:30 a volleyball game starts and continues til 10:00 p.m. At 9:15 there is a co-ed swim that ends at 10:00 p.m. The fitness portion is based on the premise that if one's heart is in good shape, then so is the rest of one's body. In addition to working on the heart muscle, we spend sometime on flexibility of the arms, legs, back, and neck, and hope you fight the "BATTLE OF THE BULGE". Call 331- 6500 now or come over to the "Y" at 178 E. 155th Street, Harvey, Illinois.

Get Into Spring On Trampoline

The Harvey YMCA is now offering a trampoline course for boys in grades second through sixth from 4:00 - 4:45 p.m. beginning Wednesday, September 13, and continuing for 13 weeks.

Trampoline is one of most enjoyed activities gymnastics. Perhaps inherent desire to bounce or the ease with which bouncing is done is responsible for the fun found in participating in this activity. The course will include basic stunts such as seat drop, knee drop, front drop, swivel hips, somersaults, and more difficult movements depending upon the ability of each child.

Registrations are now being accepted in the Program Office of the Harvey YMCA, 178 E. 155th Street or call 331-6500.

As part of the "Ballots for Books" summer reading program at the Calumet City Library, children cast ballots for their favorite books. Mrs. Lorraine Gates takes the votes from Abel Moreno, Lisa Moreno, and Sheryl Cipowski. Winner was the book "Bambi". (SUN Photo)

One of the first lessons following the opening of school is to impress on students the importance of quick safe exit in case of fire or other emergencies. St. Victor students filed out of the proper exits in good order Tuesday the second day of school. (SUN Photo)

Police Reports

James McCambridge, 1350 Freeland Ave., Calumet City, reported four tires on his auto were punctured while the auto was parked in the vicinity of his home.

• • •

Lance Golding, 1383 Gordon Ave., Calumet City, reported his boy's 26 inch bike was stolen from the vicinity of 1590 Lincoln Ave.

Gelacio Ruiz, 301 State St., was treated for laceration to the head at St. Margaret Hospital after being allegedly struck in the head by Harold Berry while he was in the 307 Club, 307 State St., Calumet City.

• • •

Andrew Roman Rodriguez, 3601 First St., East Chicago, was arrested last week on charges of speeding and possessing open liquor in his auto after police on radar patrol observed him speeding in the area of Sibley St., and Wentworth Ave., Calumet City. Also arrested for possession of open liquor in a vehicle was Ray Lunsford, 404 State St., Calumet City and a 17 year old, who were passengers in the auto. A fourth subject fled the scene on foot. Subjects were attempting to hide open beer cans under the seats of the vehicle when police approached the auto.

While police were still at the scene Michael Joseph Montagano drove by shouting obscenities at the police. His vehicle was curbed at Wentworth and Pulaski and he was arrested on charges of disorderly conduct.
